Happiness Is . . .

“School Spirit; School Life.”

HAPPINESS has a different meaning to everyone. To cheerleaders it's the school spirit of the spectators. To students it's a snow day.

Happiness to some students is the ability to come to school. To the hockey team it's a winning season. To seniors it's graduating.

Happiness to Ebenezer is "Bah! Humbug!" To juniors it's passing their math course. To sophomores it's a delightful history class.

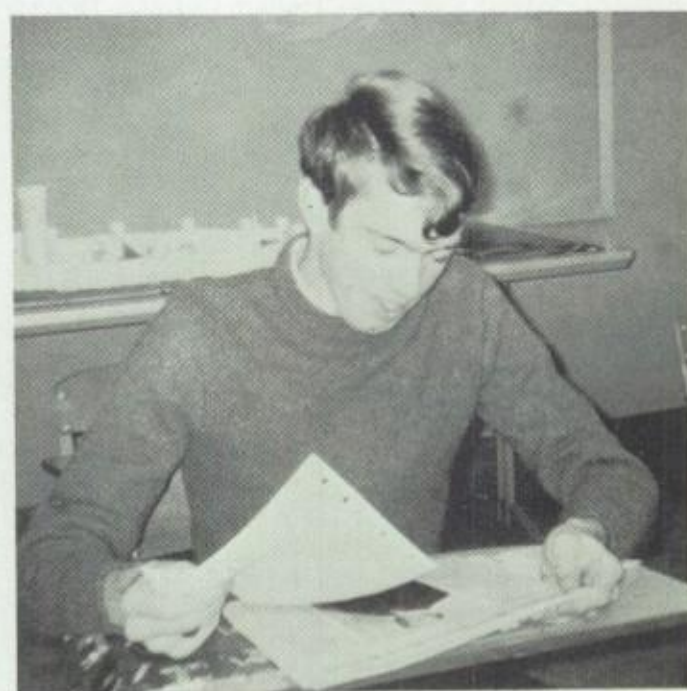

Happiness is a good lunch. To some teachers it's a mid-winter vacation. To the yearbook staff it's bringing you this yearbook.

This book is a book of memories. Memories that are yours. Memories that are not yours. These memories are *HAPPINESS*.

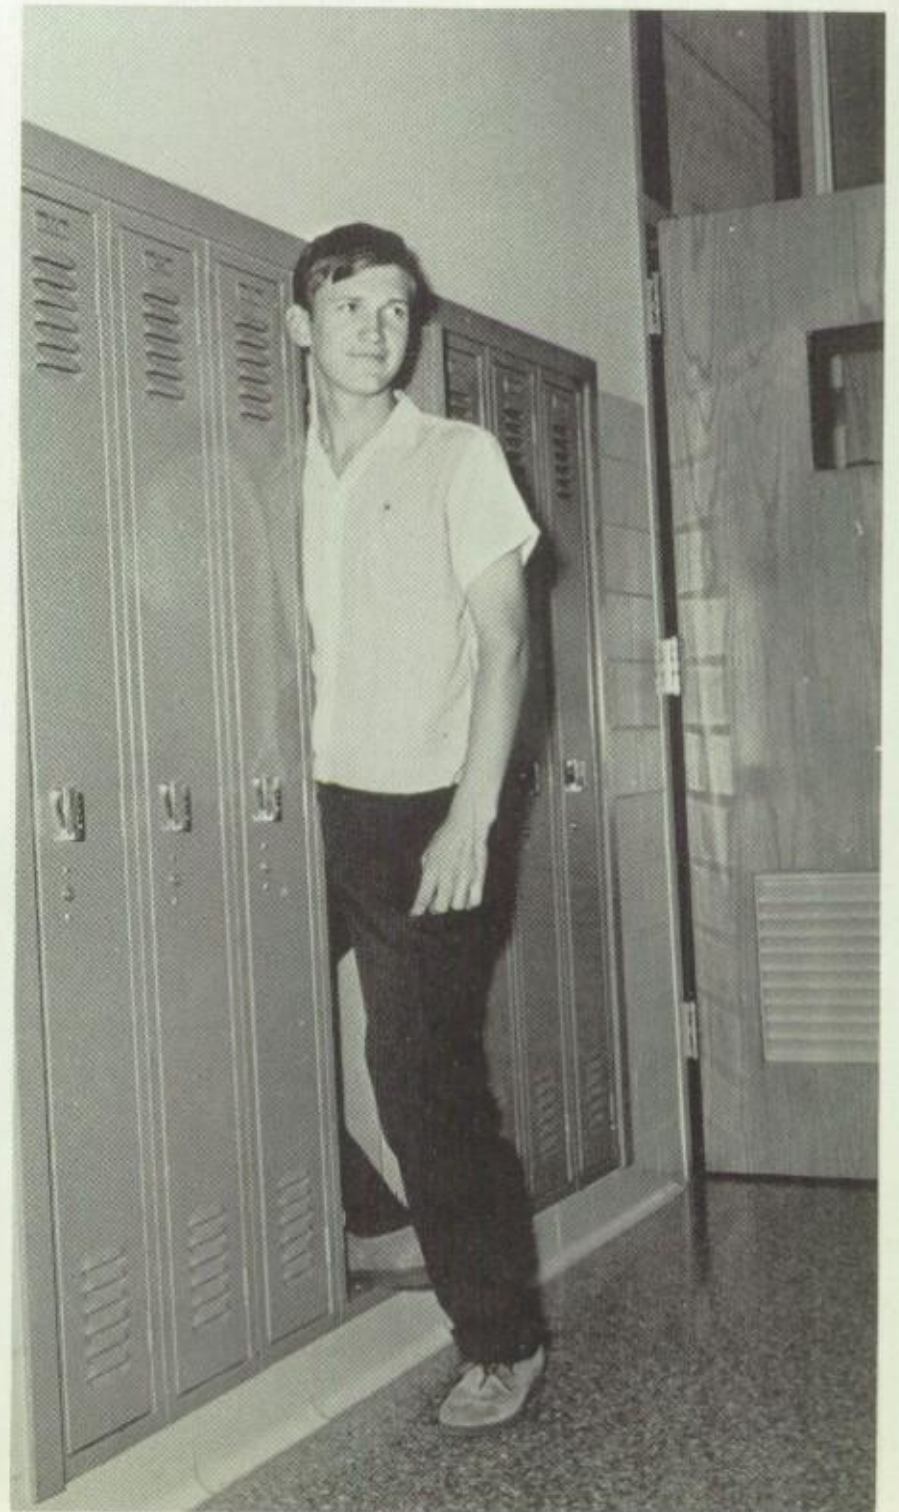

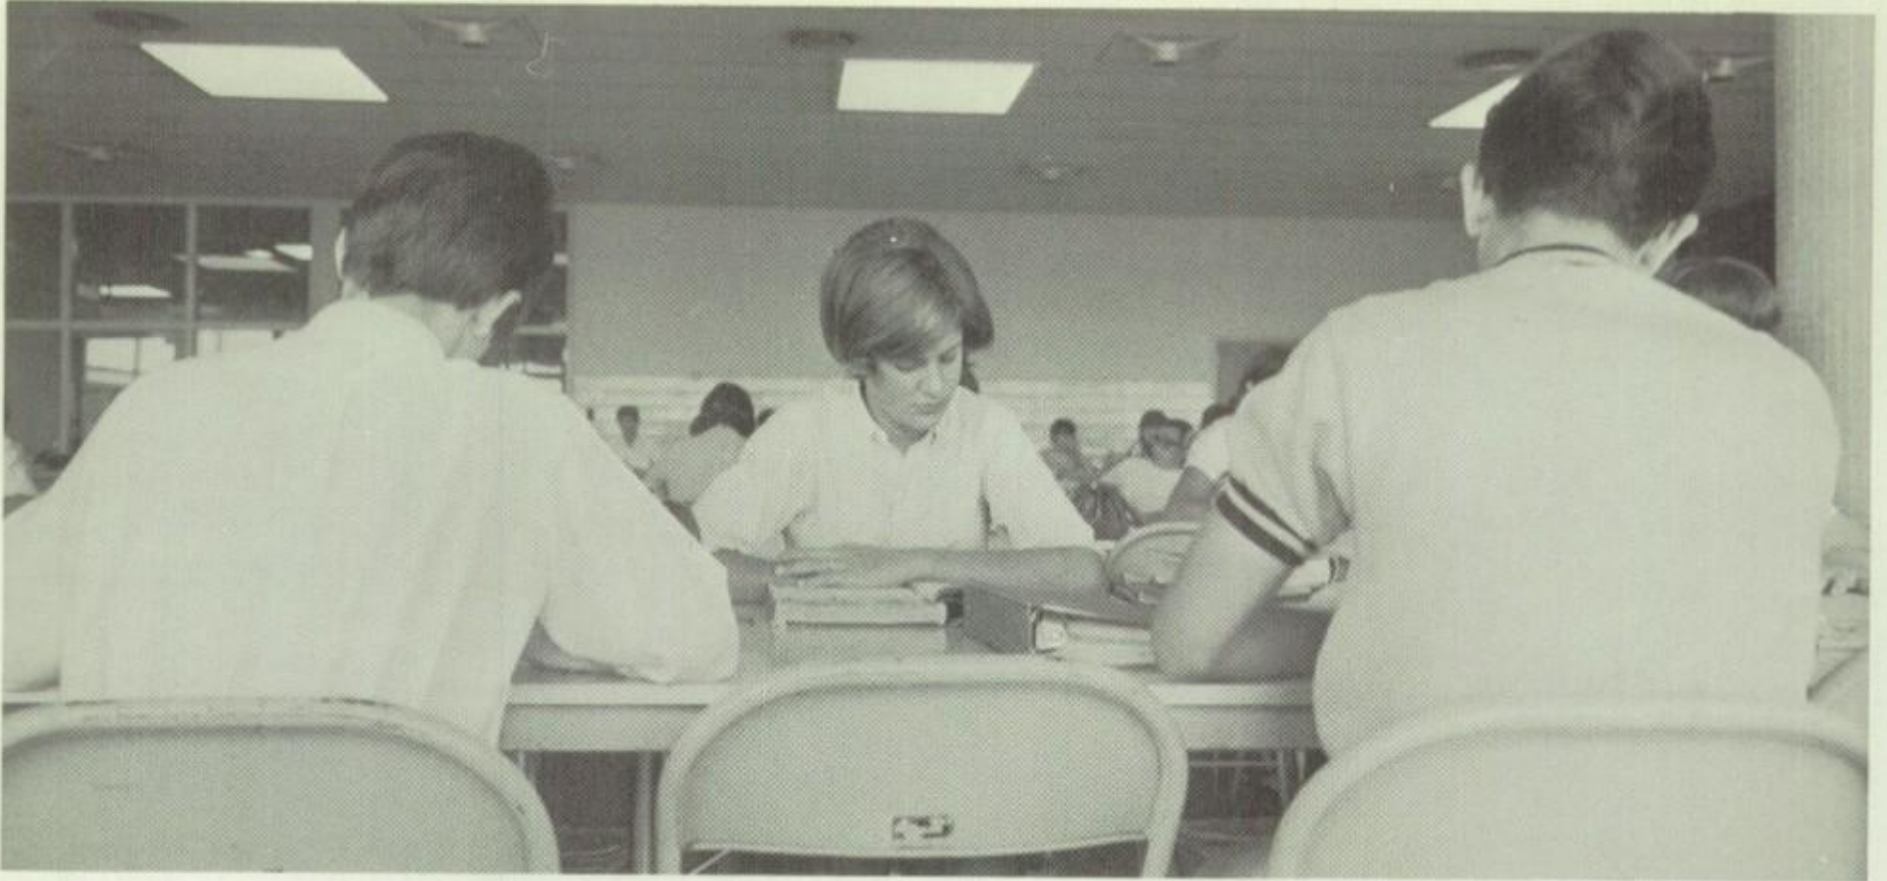

Happiness Is . . .

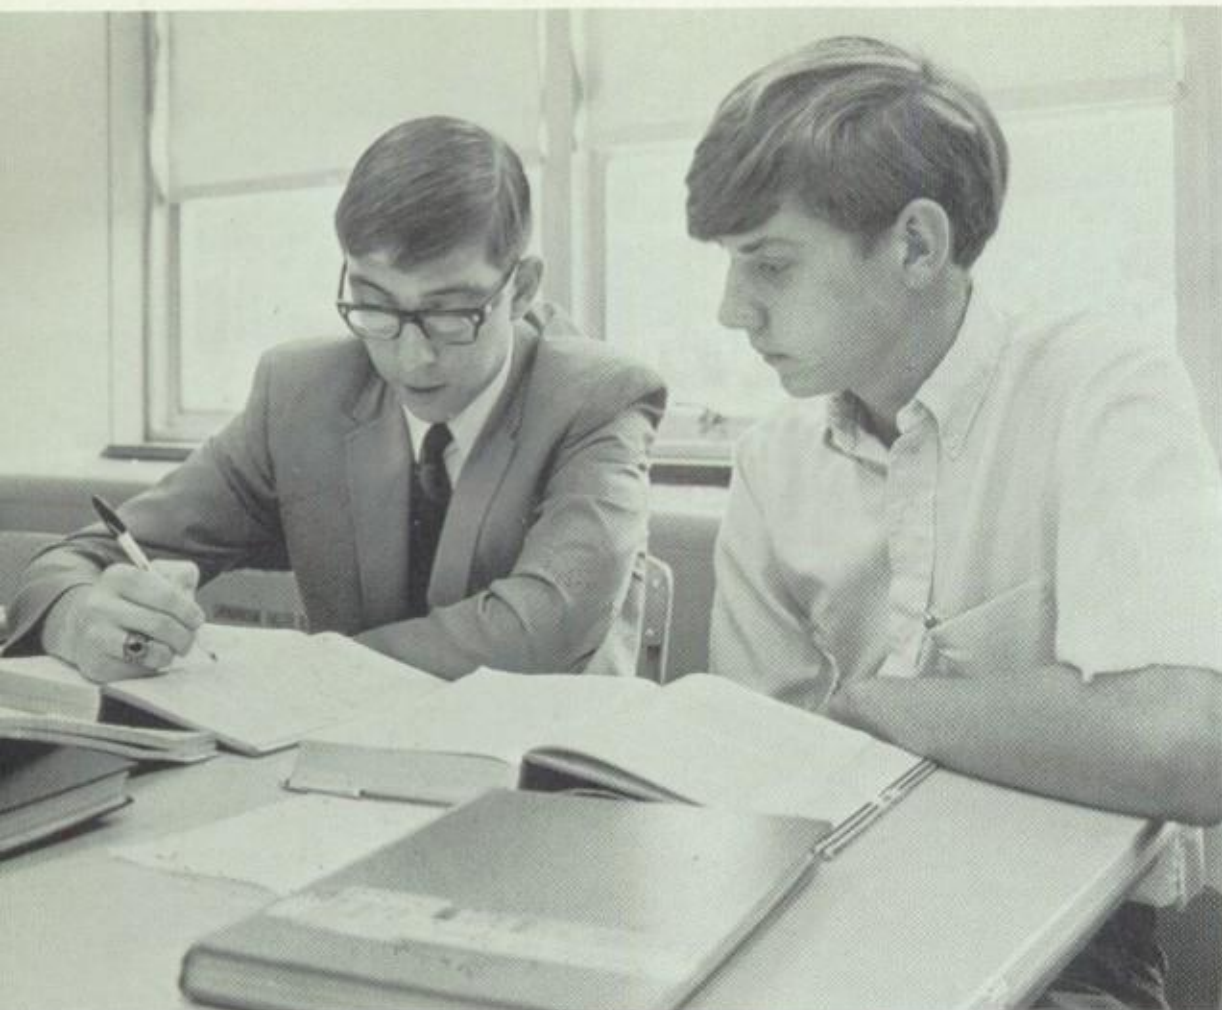

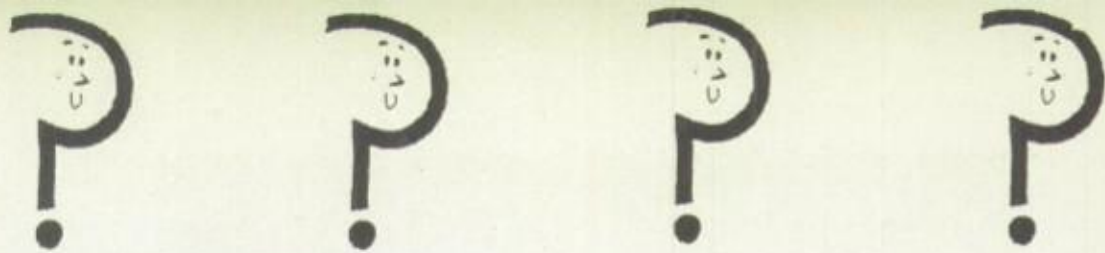

Enjoyment of Life

Is Everybody

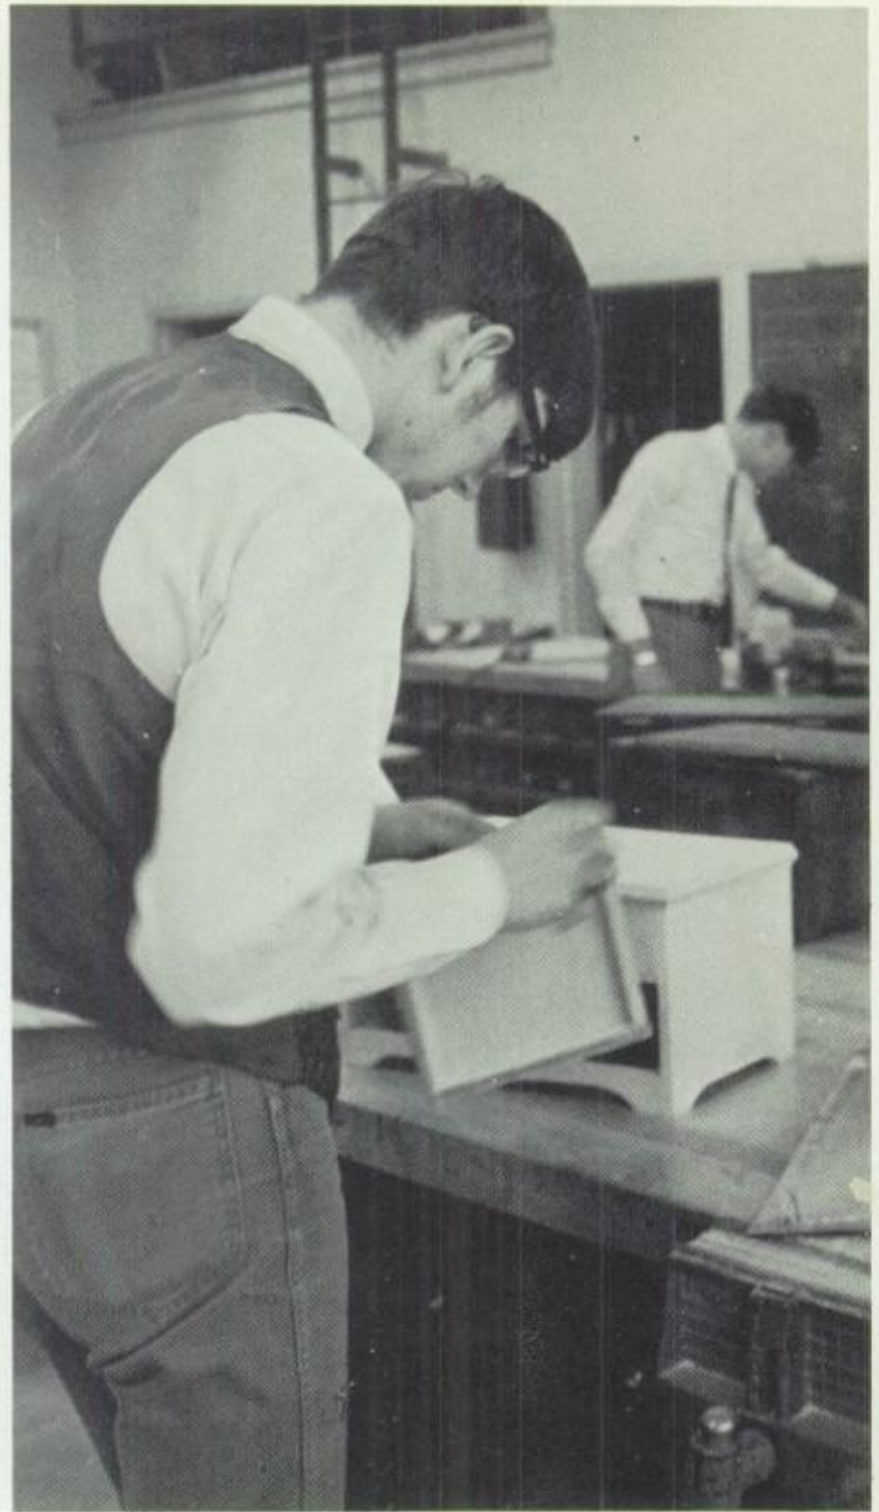

Happy

Satisfaction Of Hard

Work Is Happiness

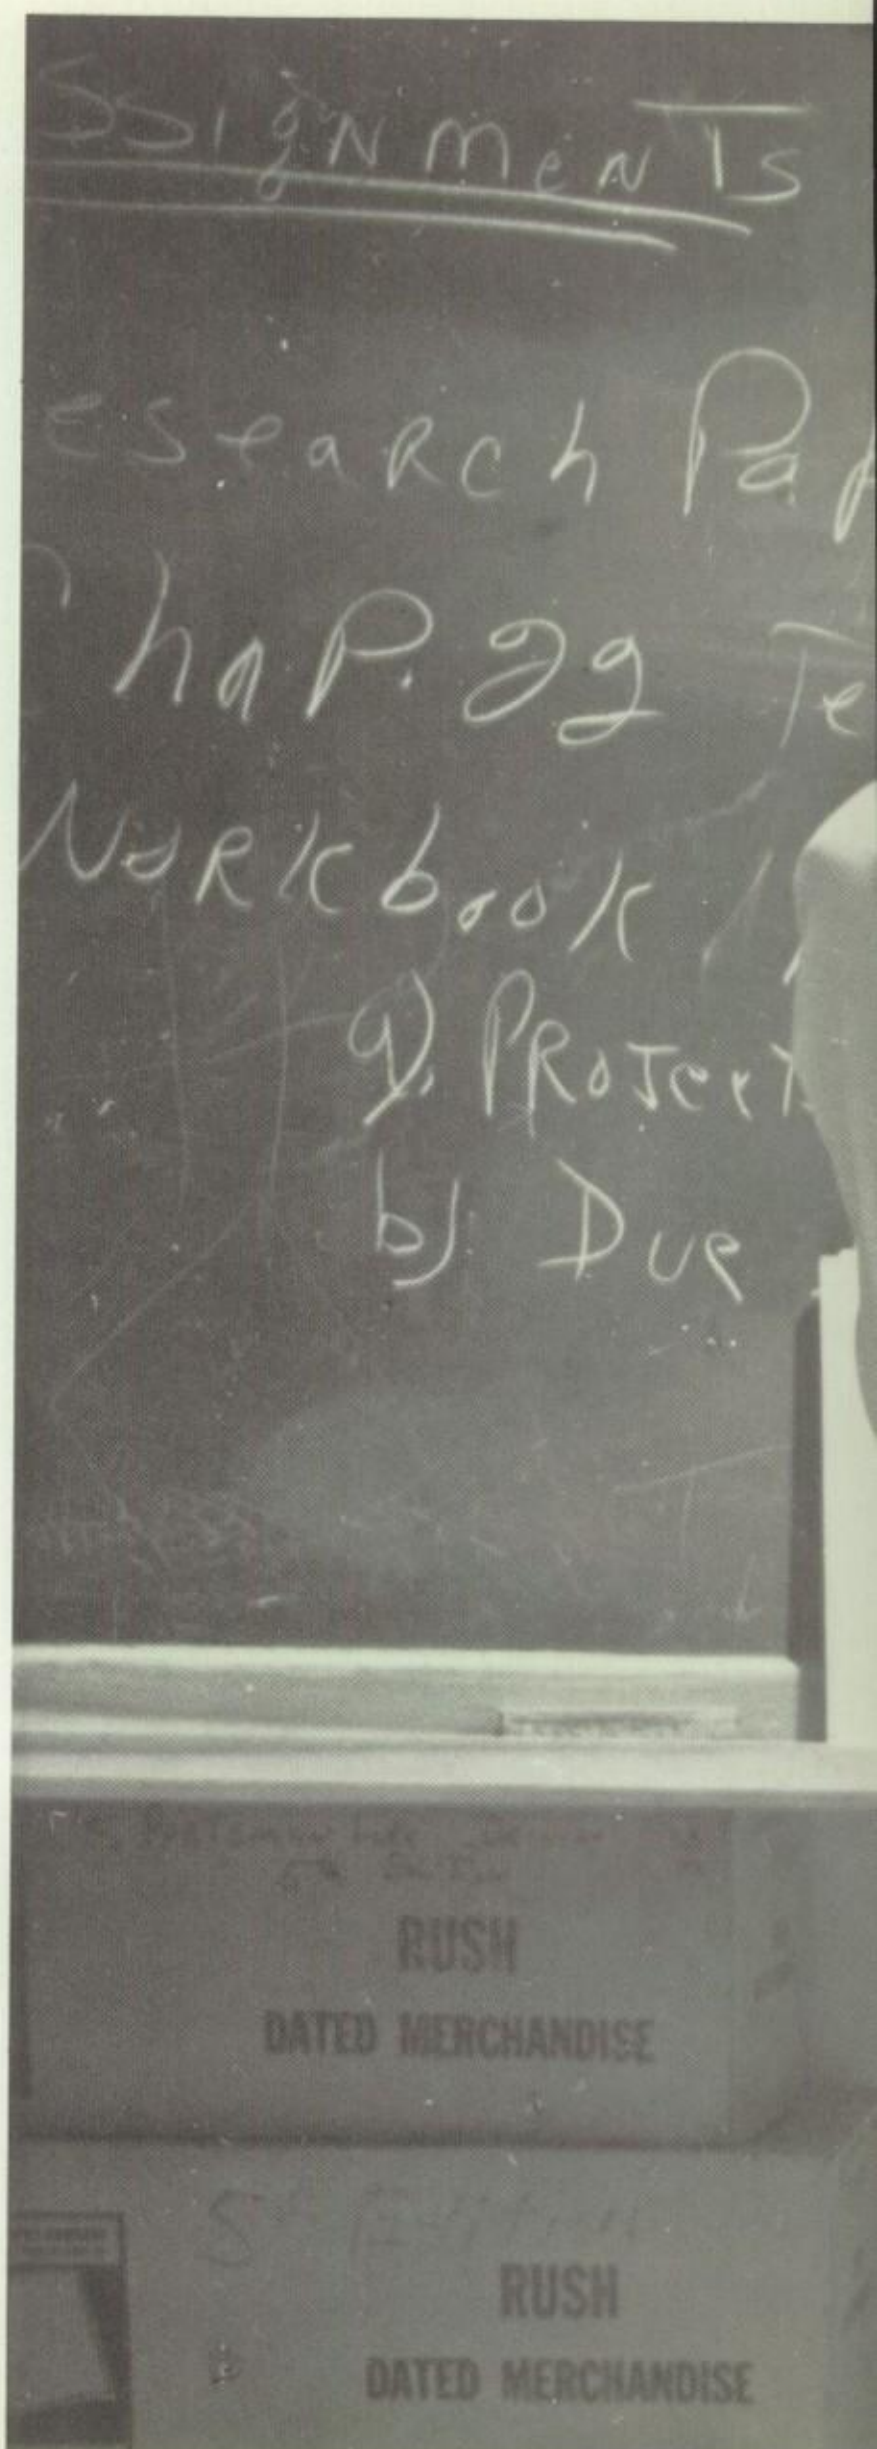

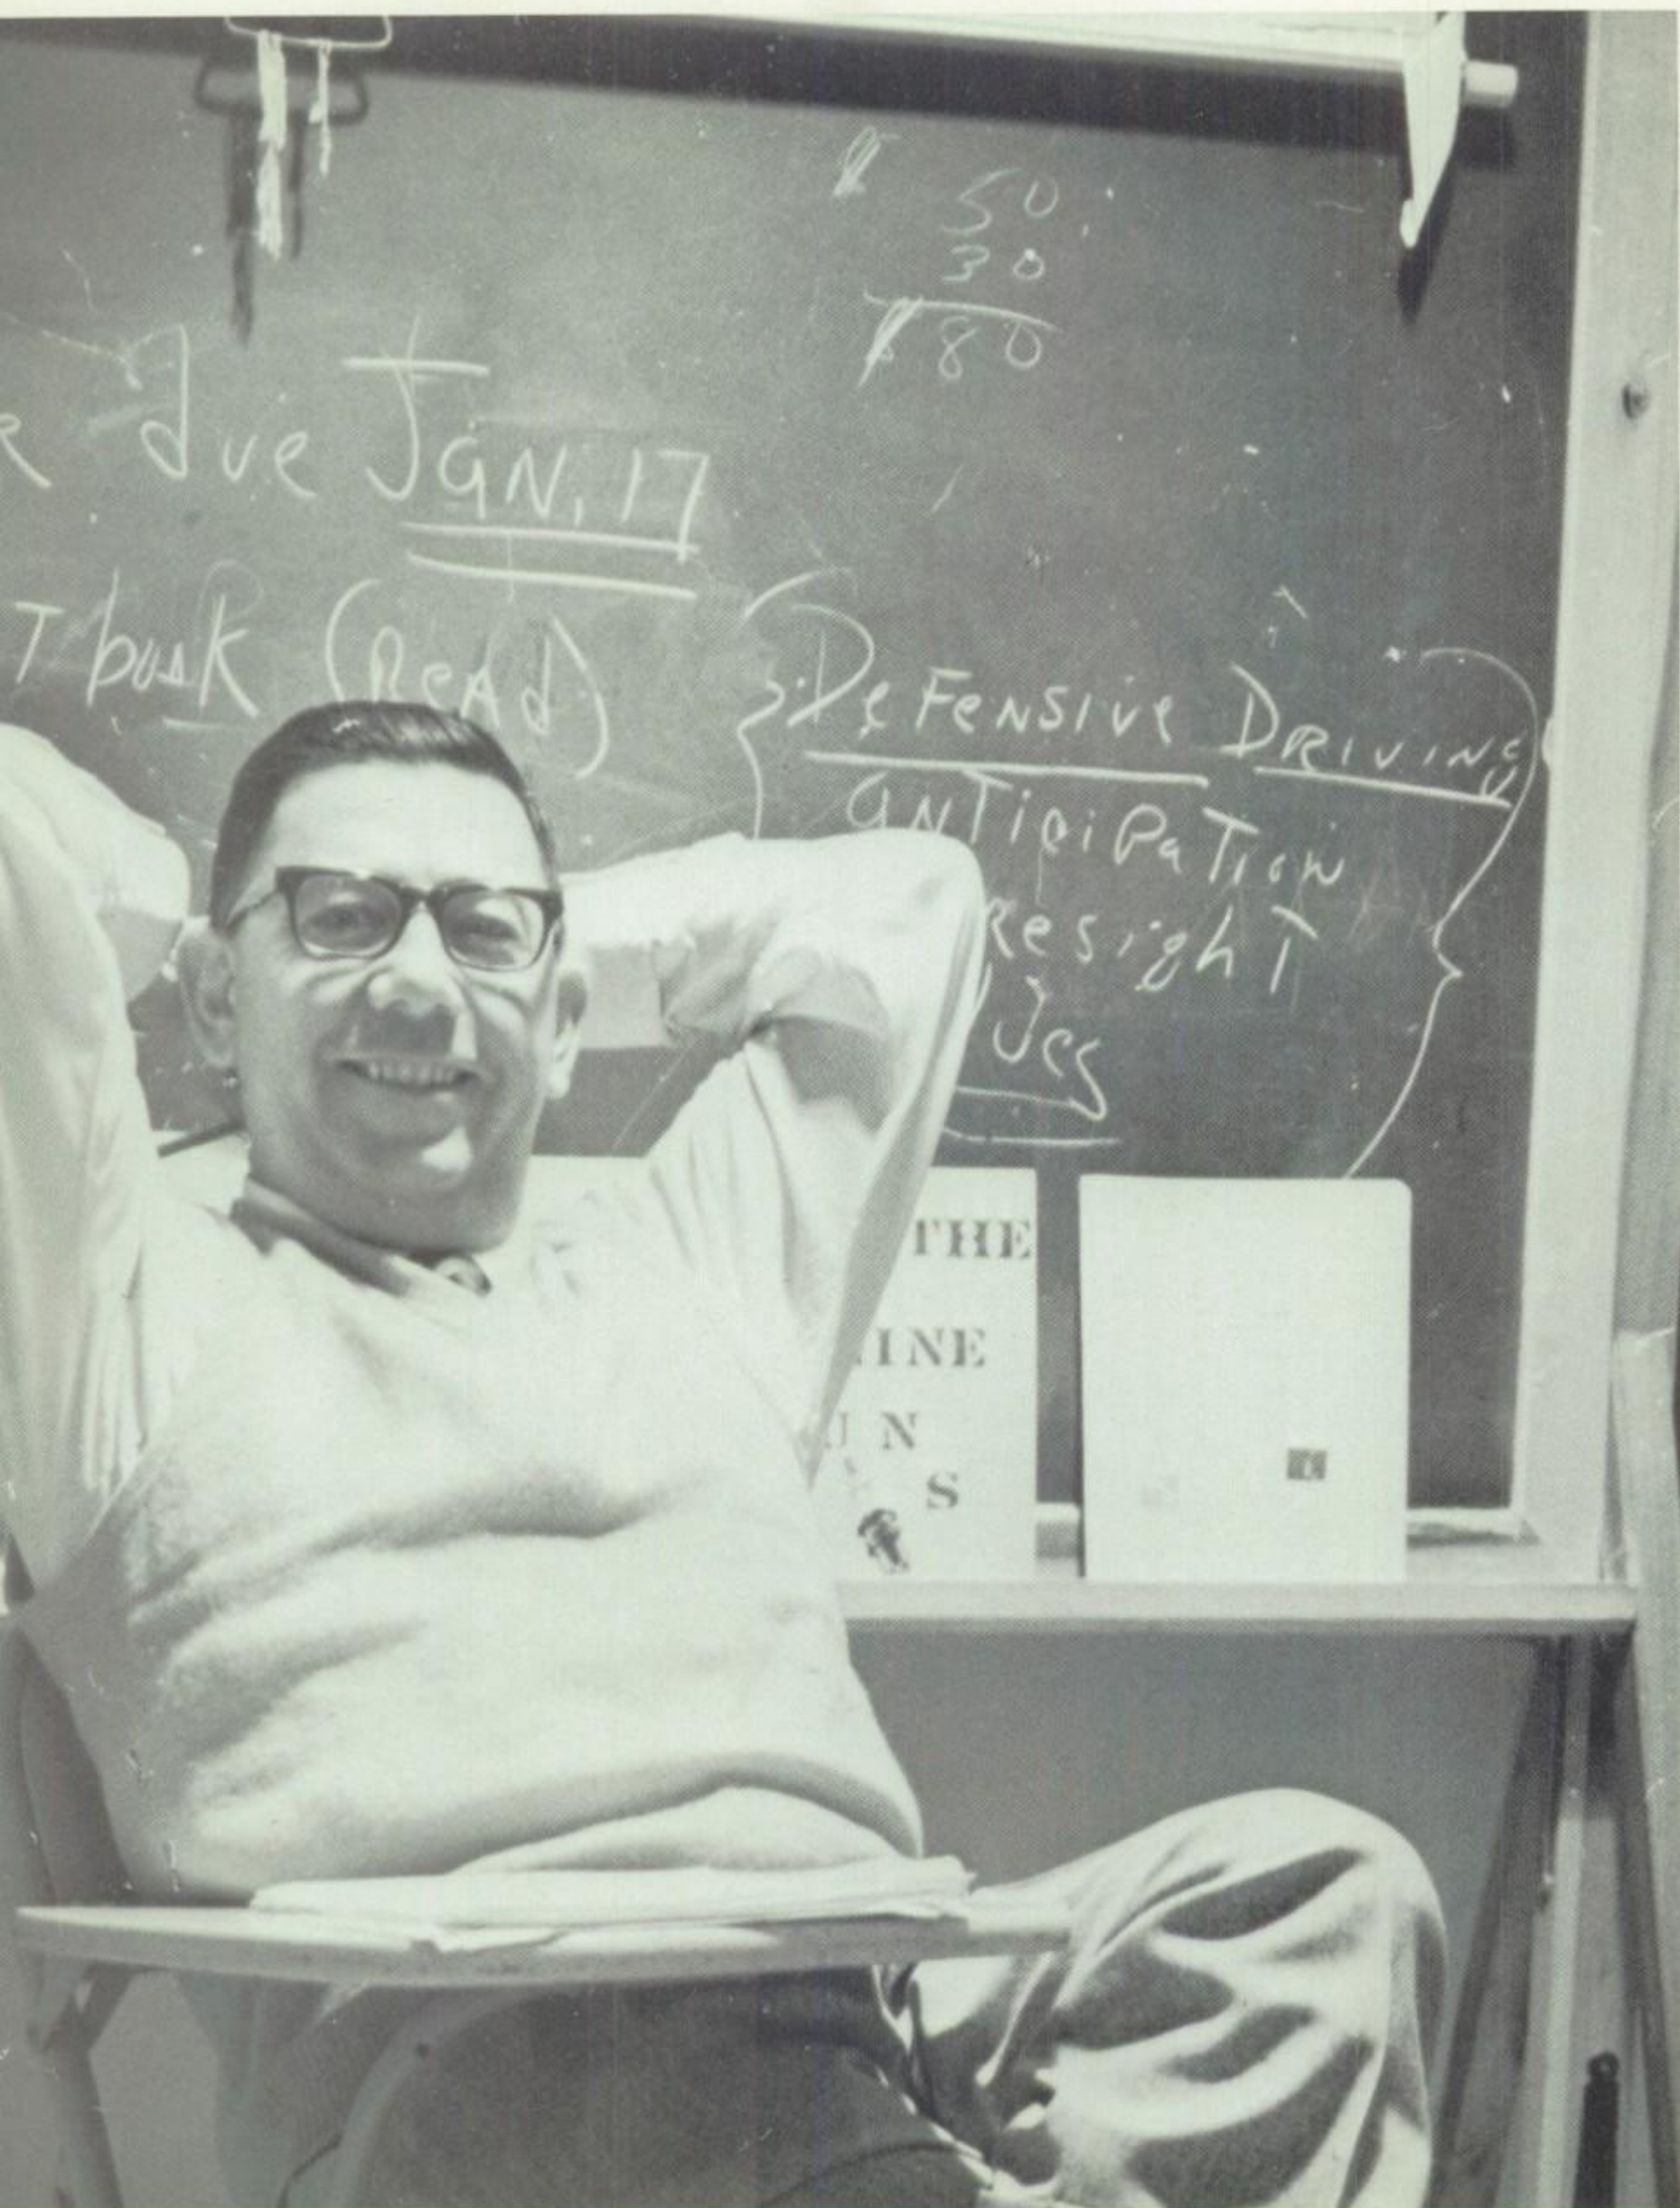

Carlton E. Lutz

Dedication

We, the members of the 1969 Conococheague staff, wish to express our gratitude to Mr. Carlton E. Lutz, who has taught Physical Education, Health, and Driver Education during his fourteen years at Greencastle-Antrim High School. In addition to his teaching duties, Mr. Lutz has served as the coach of the baseball team. He has devoted extra time to take students to their drivers test in Chambersburg. Our gratitude for Mr. Lutz's service, advice, and coaching can never be fully expressed. We thank you for your service given to Greencastle-Antrim High School.

Our Administration

Mr. William P. Conrad and Mr. James R. Martz are concerned with enlightening the path of the future for hundreds of students at Greencastle-Antrim High School. Both men have varied responsibilities and display serious and conscientious attitudes toward their work. They devote their time to plan student curricula, to give assistance to extra-curricular activities, and to help the faculty enforce law and order among the student body.

Happiness is not worrying—right Mr. Conrad?

Guides Us With Wisdom

Mr. Kaley talks with Mr. Martz about problems concerning the new junior high school.

"Now, Mrs. Delbaugh, I don't want to see you fly paper airplanes again."

It's good news at last. "The Cafeteria workers went on strike."

STUDENT LIFE

An Evening Of

The theme was portrayed in green, pink, and yellow roses.

These junior girls seem to be in a hurry to finish their mural.

Everyone pictures a prom with a night of clear skies, the moon just barely peeking through the clouds, and the roses in bloom. This is the picture you received as you walked under the rose arbors to approach an evening of "Stardust and Roses." Of the many splendors of the evening was the taking of pictures in the small garden. A large white gazebo was situated in the center of the dance floor. Couples danced to music by Jay and the Quintet.

“Roses And Stardust”

The feast was paid for by juniors, served by sophomores, enjoyed by seniors.

Stardust and roses give a romantic atmosphere for couples as they dine.

School Musical "Oliver" Creates

Fred Davison portrays Feagan, who is a beggar and a thief.

A successful musical is a creation, requiring the co-active efforts of committees and cast members. Long tedious hours of hard work resulted in Greencastle's extraordinary performance of "Oliver."

Oliver sings, "Where is Love?"

After the initiation of Oliver, everyone sings, "I'd Do Anything for You."

Interest In Acting

Band for "Oliver" practices preparing for opening night.

Cast for "Oliver" sings grand finale.

Happiness Is Your

There is one boy for every two girls.

"5-4-3-2-1-go! Would you believe Galen and Lon are crawling to lunch?"

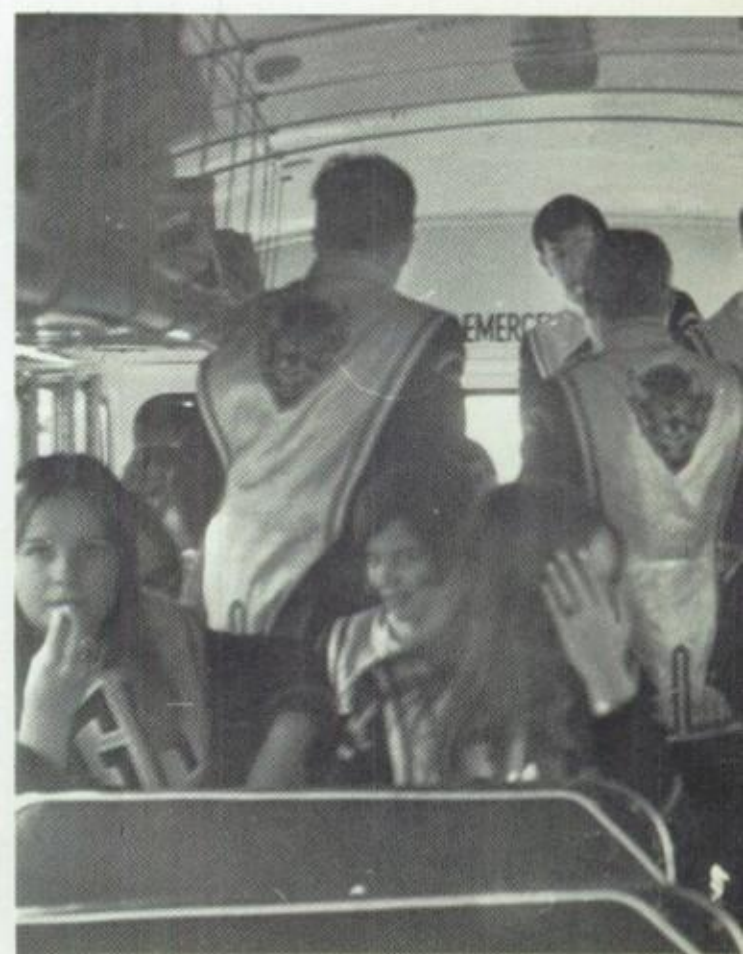

Expression Of Life

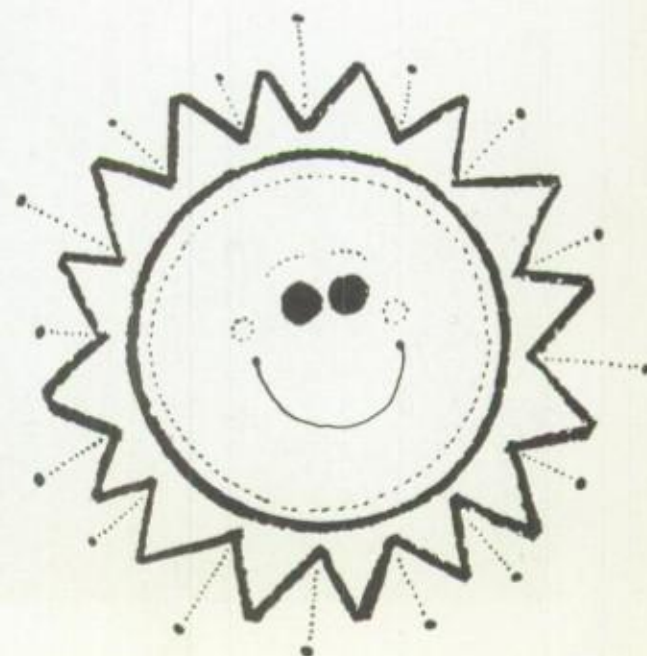

Happiness is characterizing the cook in *Canterbury Tales*—right Kathleen?

This was a simple, very simple, problem, Lana. It's only 11 pages long.

Finally—a place to sit down!

Happiness Is Students Working

There's nothing more refreshing than having a coke with friends after school.

"Is that really me?"

Looks as though these girls are checking over things for Student Council.

And Sharing Fun Together

To make a school dance successful, one must be willing to help.

Who is the hidden unknown that everyone seems to be watching?

What seems to be so funny with these two?

Happiness Is Senior Pictures,

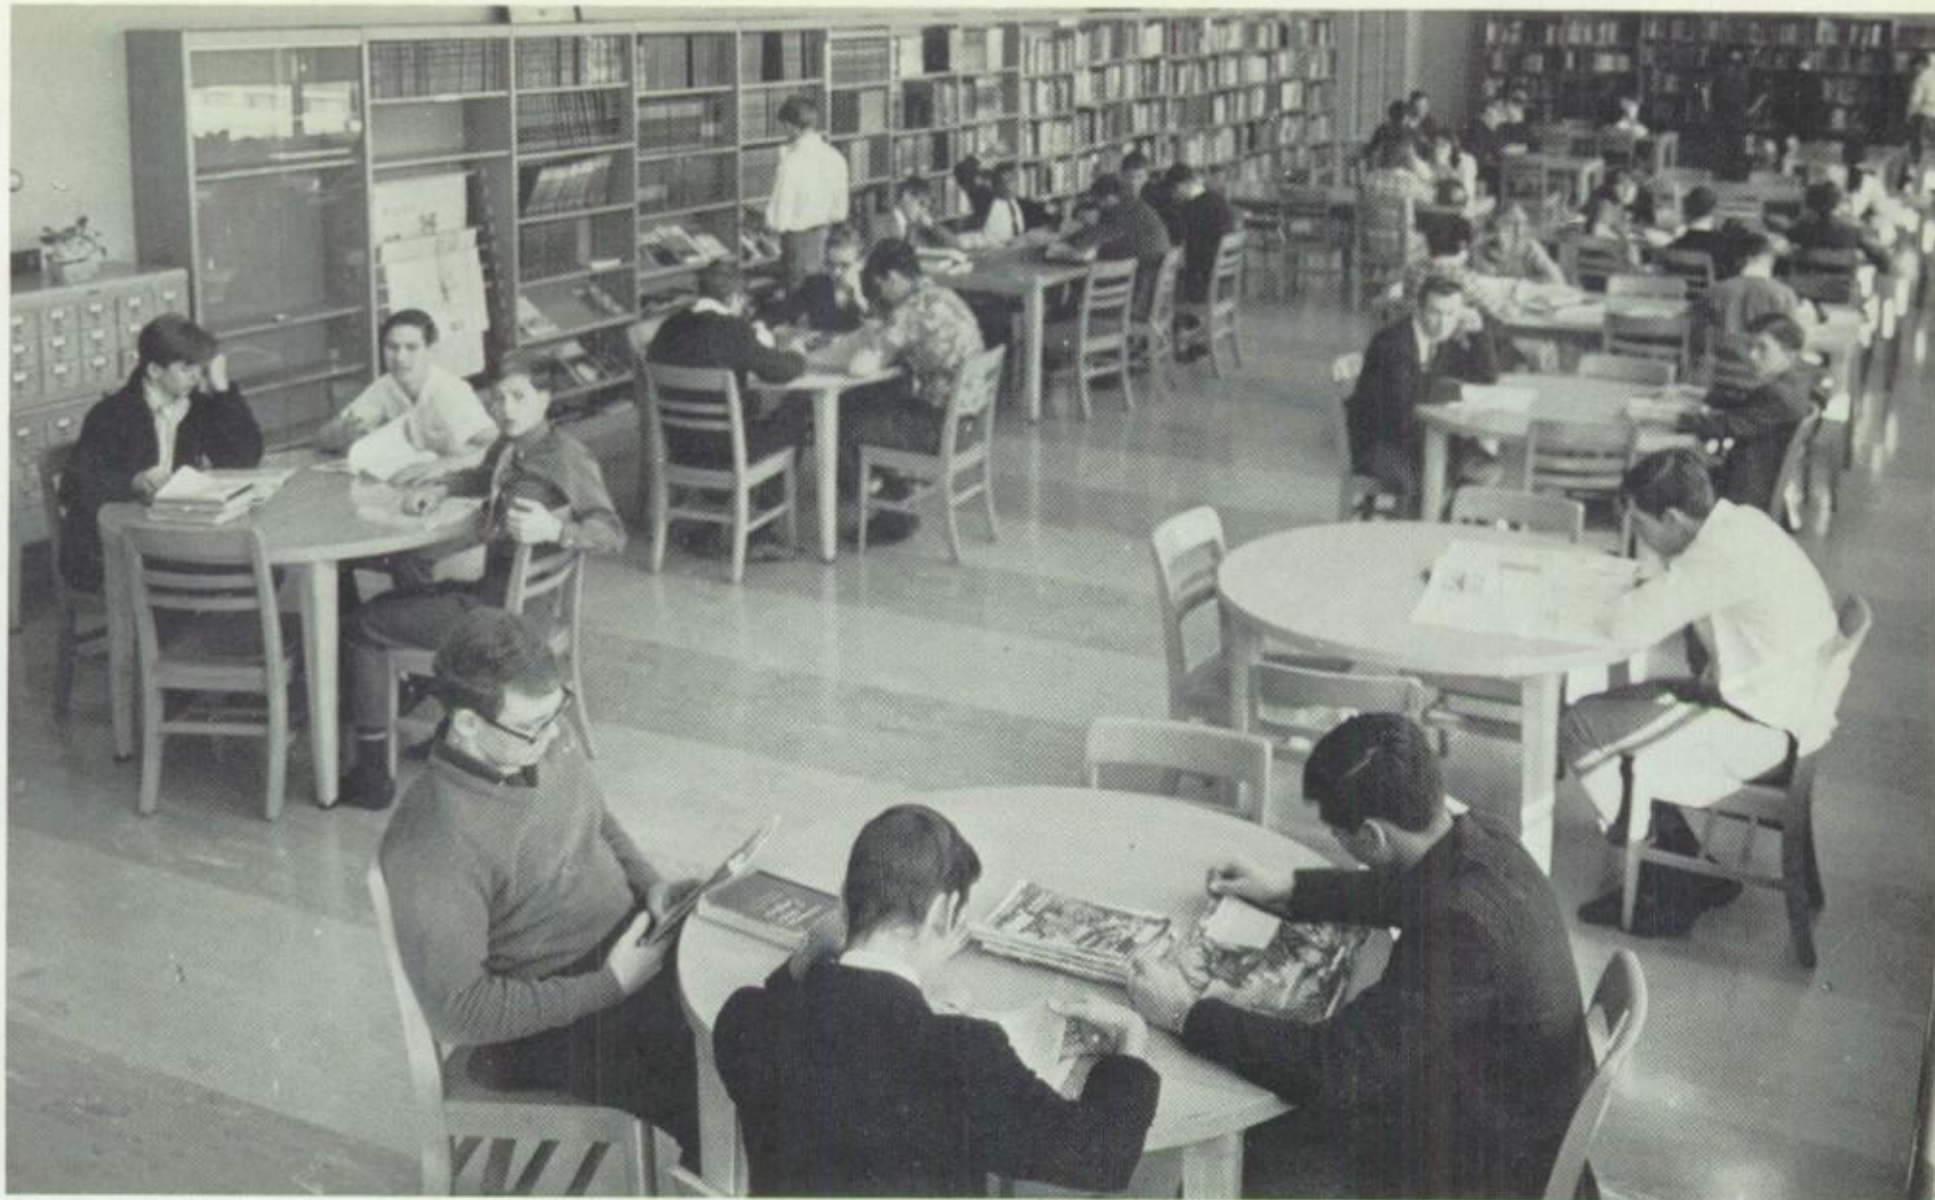

Who is more anxious? Seniors receiving pictures or photographers receiving money.

Catching up on school gossip is one purpose of the *Voice*.

The Voice, And Of Course Books

Students enjoy the opportunities to prepare assignments in the library.

Everyone seems to be very studious in study hall.

Highlights

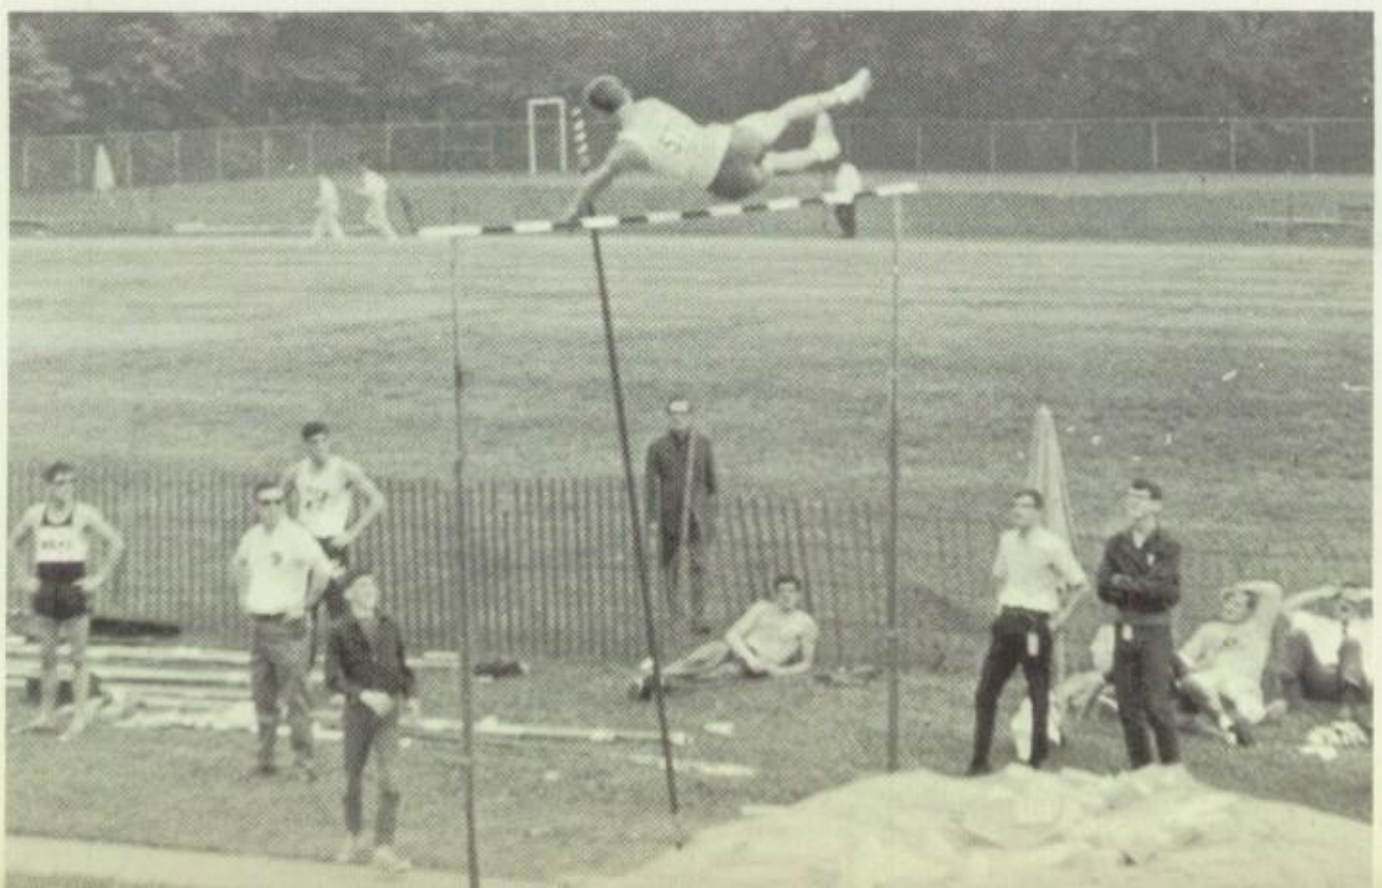

Time out for a coke.

The cross country team begins another two-mile race.

Who is that in the sky, a plane? a bird? No, it is Galen Hess in the pole vault.

In Sports

Charlie Rutter looking for running room after taking handoff.

These Senior girls seem to exercise their hockey skill in a unique way.

Lenny Grosh attempts to kick the soccer ball.

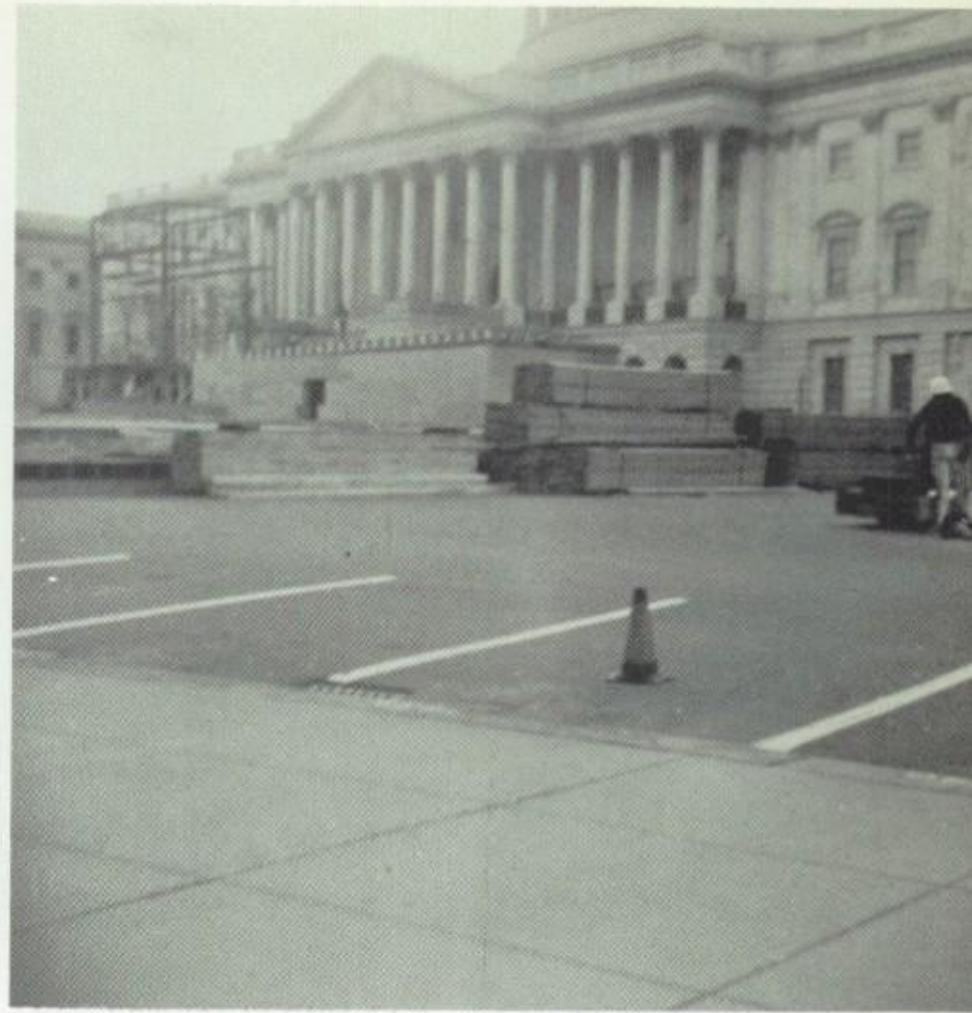

Seniors Take Class Trip

October 30th is one date that will be long remembered by the classes of '69, for on this day the seniors took their Washington trip that they were unable to take last spring to our Nation's Capitol. The day was spent visiting historic and current places of interest. The highlight for the day was the FBI Building. The day could not have been more fascinating; it will never be forgotten.

To Washington, D. C.

CURRICULUM

Languages Are The Keys

Miss Barnett, our French student teacher, must contribute to the piggy bank.

Our language department offers three languages: French, Spanish, and Latin.

In French class a day is set aside, each week, for speaking entirely in French. For every word spoken in English one penny has to be dropped into the piggy bank. This money is then used for the French banquet held in May.

In the second year of Latin, students make a list of English words derived from Latin and place this list in their Latin notebook.

This year in Spanish class the students made pinatas for the Christmas festivities.

Of Communication

MRS. LOIS MYERS
Senior English

MRS. MARGARET
KEMMLER
Junior and Senior English

We have two new English teachers this year at Greencastle: Mrs. Myers and Miss Kelley.

Mrs. Myers teaches senior English and composition classes. Her students are reading the GREATS in English literature, including Chaucer whose characters in *The Canterbury Tales* literally came to life. The students learned to think, read, and write critically, and the composition classes utilized such writing skills in preparing school news for WCHA. The Senior English program was designed to assist the individual student in meeting future goals.

Miss Kelley teaches mostly juniors. She deals with short stories, including those of Edgar Allan Poe.

MRS. PEARL CONRAD
Sophomore and Junior English

MISS JOANN KELLEY
Junior and Senior English

Mrs. Conrad takes her sophomores back to the "Days of the Guillotine" with *The Tale of Two Cities*.

Sherry makes another joke in Composition class for the Laugh-In.

MR. JAMES YOUNG
Earth Science

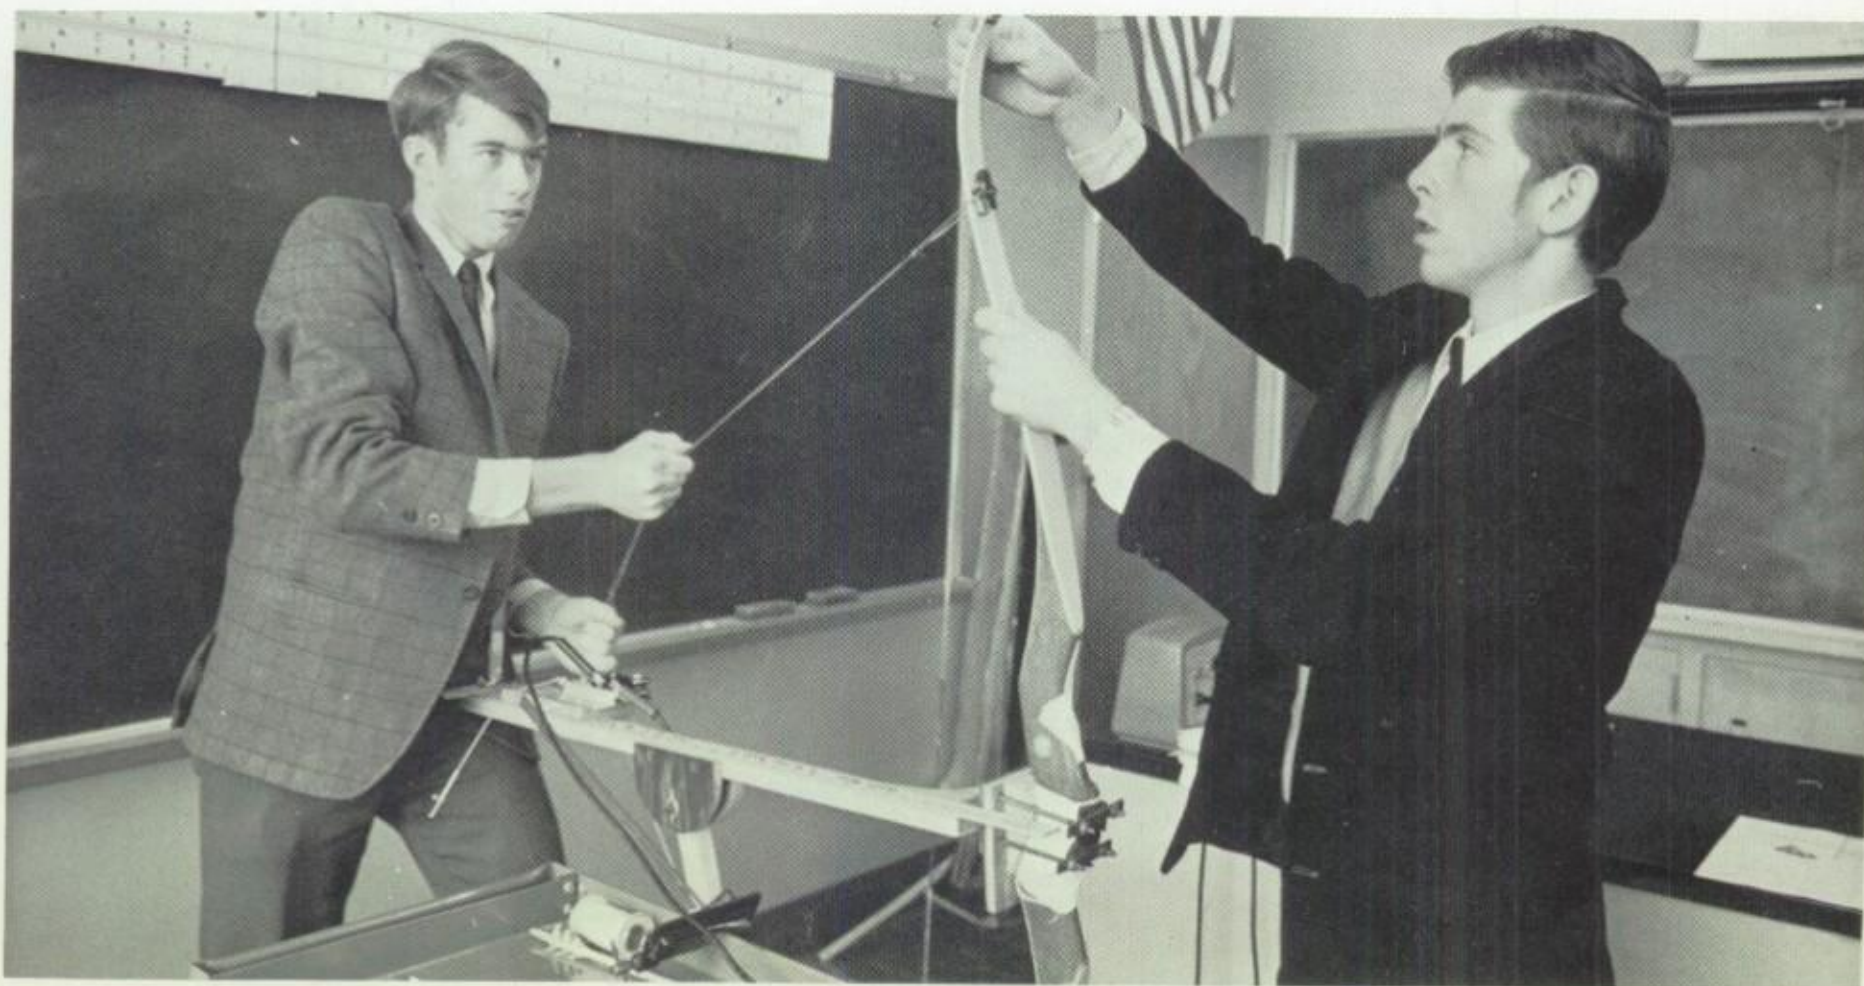

*In for Tempers
In for Locums
Mr. Young*

Our science department at Greencastle-Antrim High School encourages the student to be inquisitive about the unknown and helps him to better understand the world around him.

The four categories of the department are earth science, biology, chemistry and physics. The freshmen in earth science classes study geology, astronomy, and meteorology. Sophomore biology students study plant and animal life.

Juniors who study chemistry learn of the mole concept and the make-up of elements.

Physics, taken by seniors, deals with the properties and changes of matter and energy.

I wouldn't anger Steve if I were you, Dave.

Math Classes Maintain

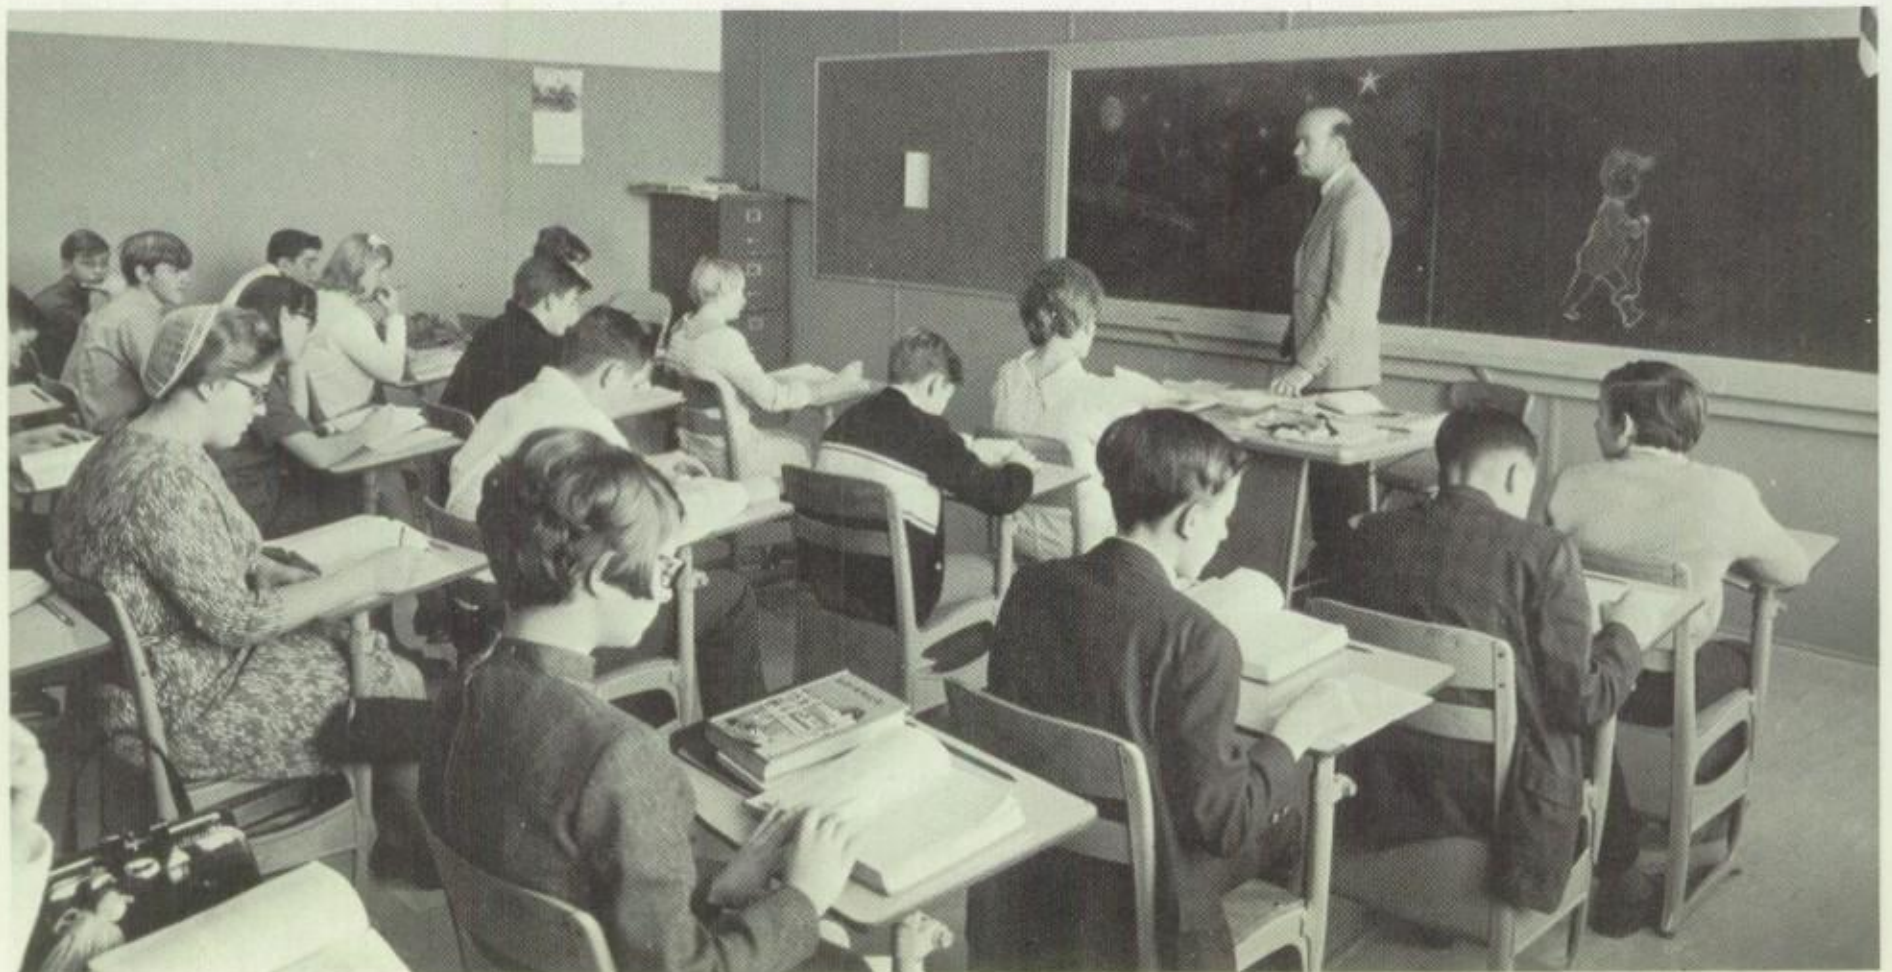

Look out Debbie, here comes another 99.9.

MR. LEROY McCRAE
General Math
Consumer Math

MR. ROBERT REEDER
Algebra I and II
Jr. High Math

Mr. McCrae explains how to do the day's homework to this class.

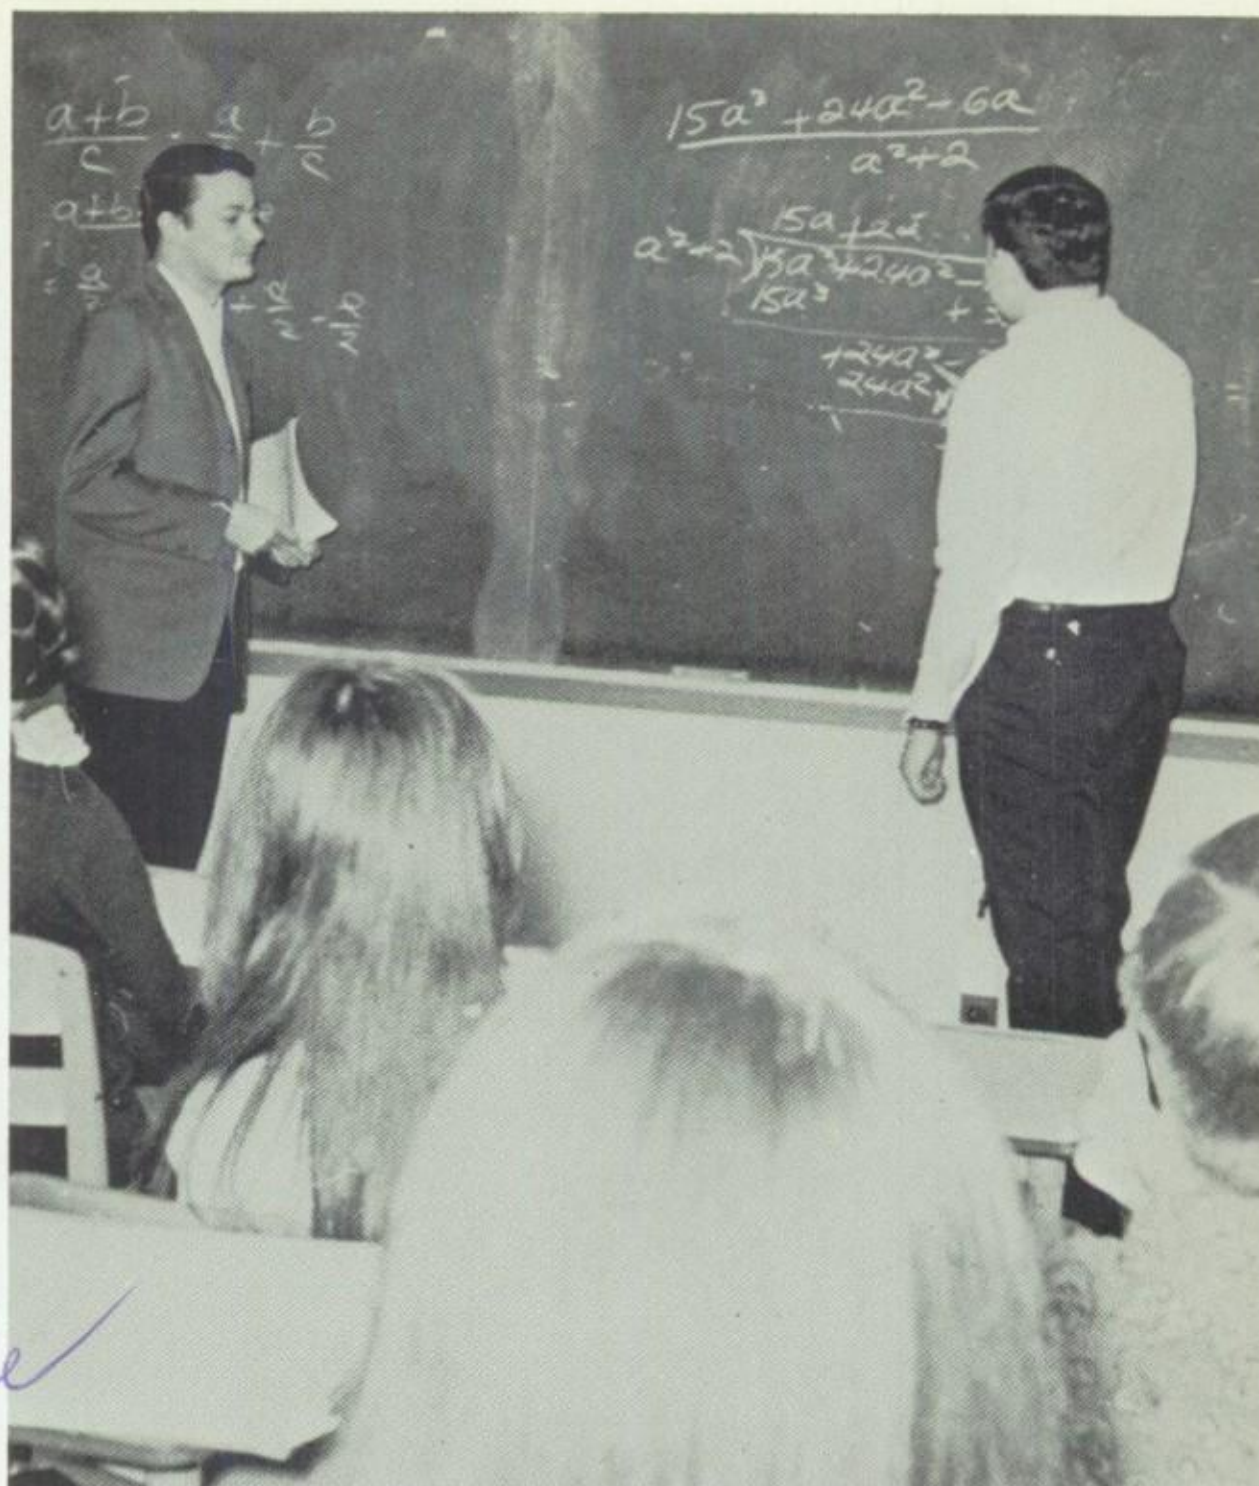

Students' Interest

The mathematical department includes Mr. Brake, Mr. McCrae, and Mr. Reeder, who teaches Algebra I and II, Geometry, Business Math, and Trigonometry. These math courses are of vital importance to the students planning to further their education.

Algebra and Business Math are taught in grades nine and ten. Geometry is taught to juniors and seniors learn trigonometry.

MR. EDWARD BRAKE
Trigonometry
Jr. High Math
Algebra II

Mr. Bly explains the fundamentals of Algebra II to Randy.

Let's face it kids—Algebra is a funny subject!

History Courses Help Us

At our high school, students explore different topics each year. Seniors learn about Problems of Democracy with Mr. Rishel. This course is helpful in preparing seniors for modern life after graduation; students discuss many things essential to facing the world and its problems.

Mrs. Pile's students learn American History from colonial times to the present.

Sophomore students, under the guidance of Mr. Smelser, are concerned with the development of man and his world in different areas. This course gives students a clear understanding of customs and backgrounds of different countries.

Freshmen learn to take pride in their state by studying Pennsylvania History and Civics with Mr. Frey as their instructor.

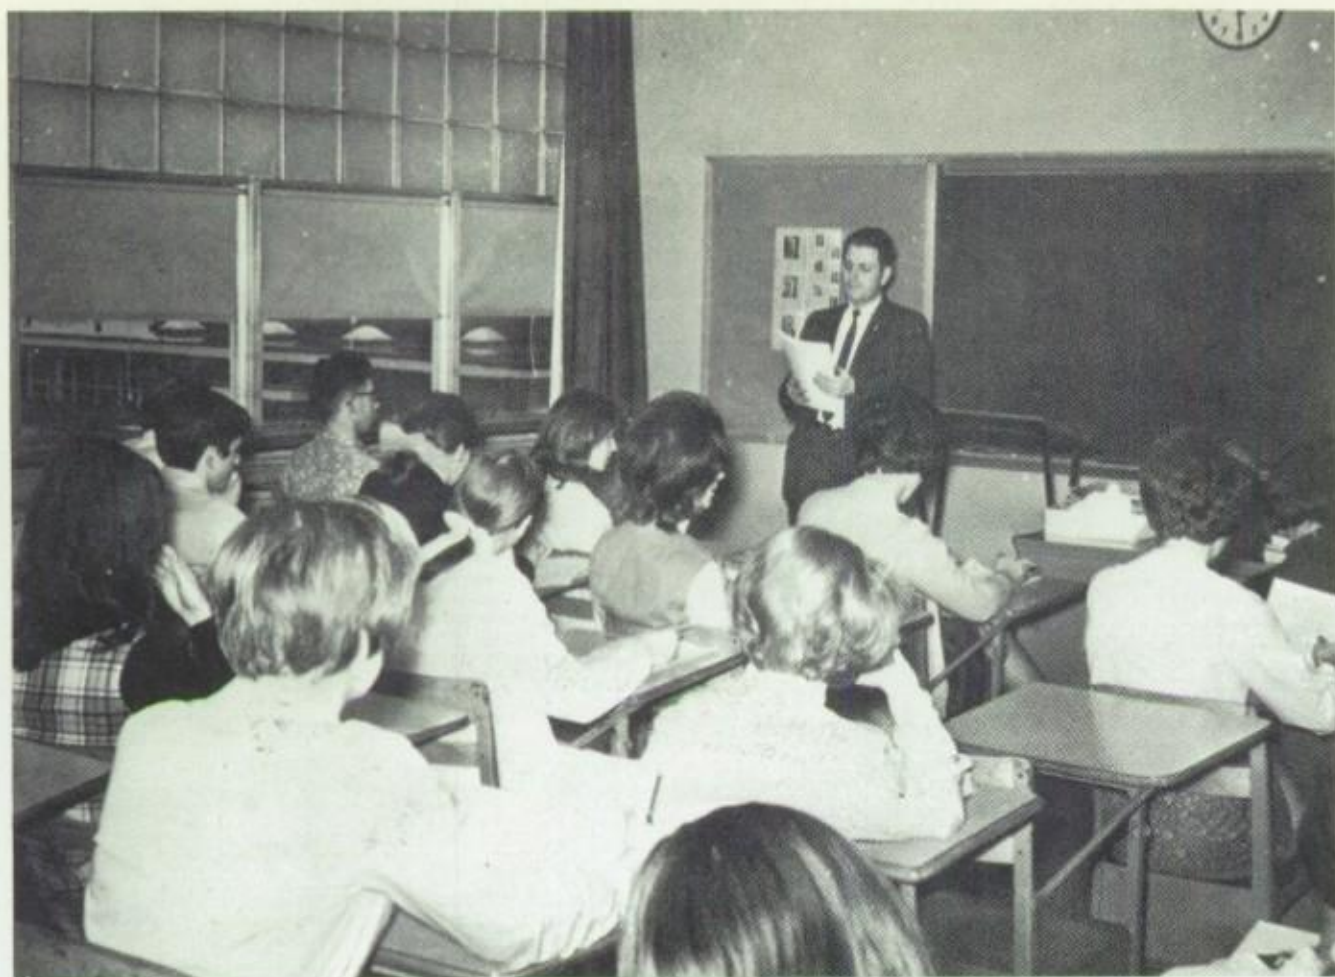

Mr. Smelser lectures to his tenth grade history class.

Mrs. Pile shows a model of Independence Hall to one of her Junior history classes.

Miss Martin checks her calendar for upcoming events.

ents Choose Satisfactory Vocations

The guidance department is comprised of two specially trained guidance counselors, Miss Martin and Miss Williams. They are kept busy all year long helping the students to make important decisions about selecting high school courses, furthering their education, and finding jobs.

For extra help, the Guidance Department offers tapes on careers and various reading material on jobs and colleges. Representatives of different schools and trades visit our school throughout the year to give the students guidance in choosing their future career or place of schooling.

Throughout the year different tests are given by the Guidance Department; some are for achievement, mental ability, and aptitude. Arrangements are also made for students to take tests administered by outside agencies, such as the Armed Forces and the State Employment Agency.

"I'm sorry Nancy, but Harvard is for males only."

Miss Williams works busily on a schedule for Juniors and Seniors hunting jobs.

Individuality Is Expressed

MISS GRETEL MALKIN
Home Economics

Under the direction of Mrs. Thomas and Miss Malkin, girls in Home Economics learn how to put their minds and hands to work together for a good purpose. Girls who choose to take Home Economics learn cooking, sewing, and other homemaking skills. These skills may also stem into many other future careers.

MRS. JOANNE THOMAS
Home Economics

Miss Malkin gives each of her students a book on etiquette.

In Vocational Classes

MR. EARL BODES
Metal Shop

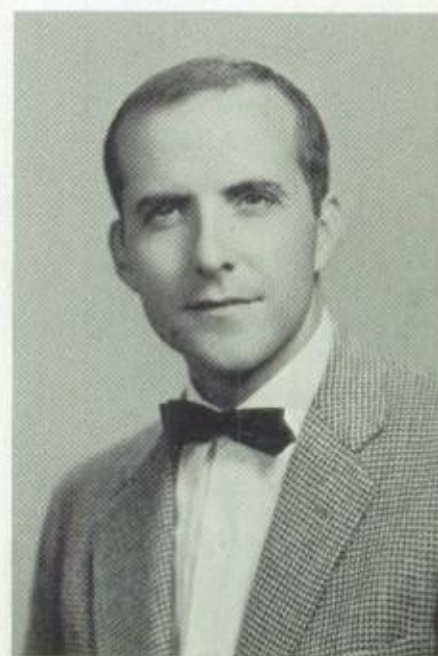

Jeff practices his skills in Wood Shop.

MR. STEPHEN DIVELBLISS
Graphical Arts

The Vocational classes available to boys consist of metal shop, wood shop, and vocational agriculture. In their classes they make projects out of wood, plastic, and metal. They are also taught how to operate the machines safely while working on their projects. In the Vocational Agriculture Class, they have Animal Science, Plant Science, Soil Science, Farm Science, Farm Management, and Agriculture Business Management.

Mr. Divelbliss aids Jeff and Larry in Graphical Arts class.

Themselves Through Art And Music

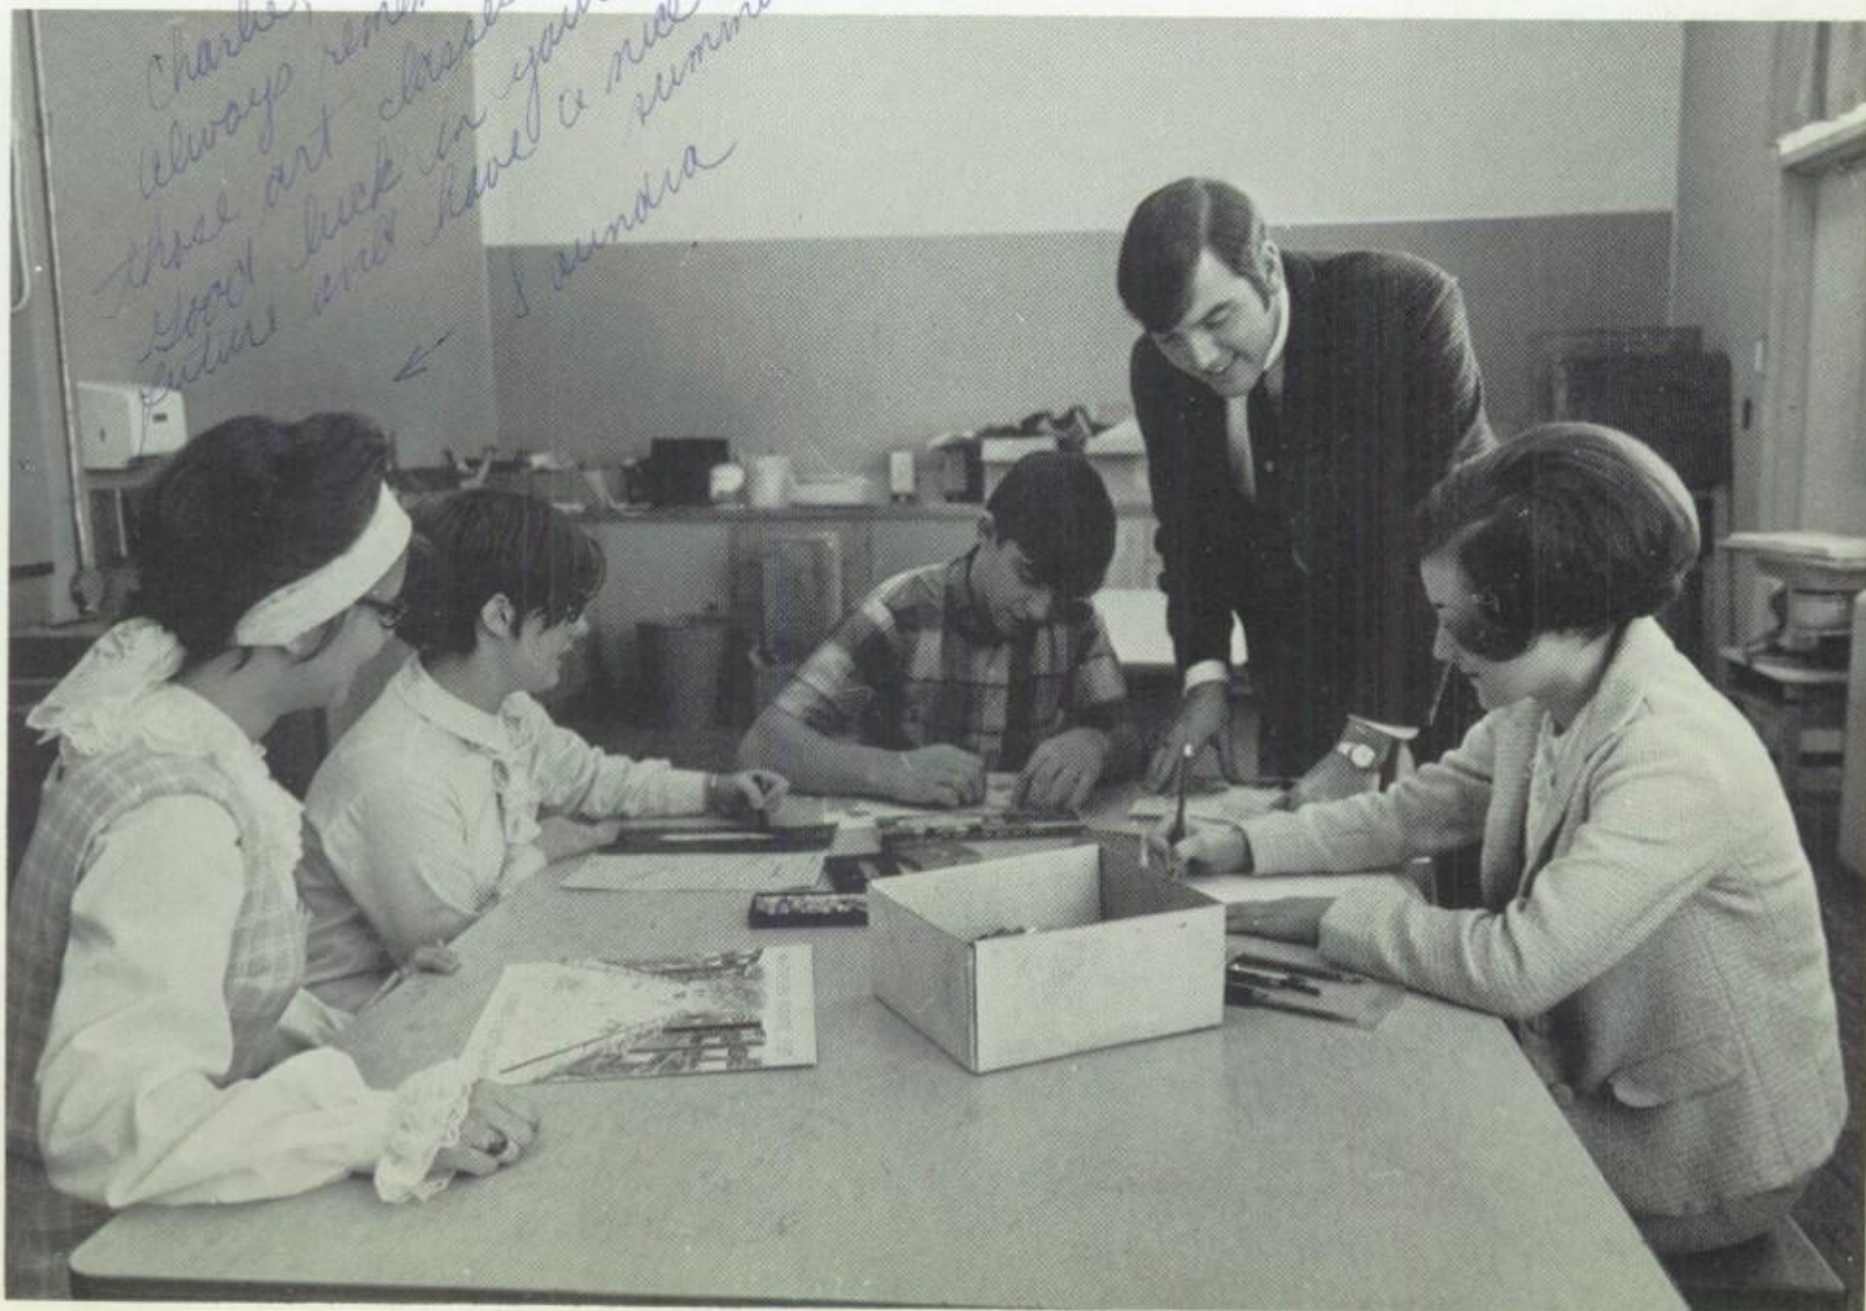

MR. W. ANDREW STOVER
Art

W. Andrew Stover

Greencastle welcomed a new art teacher this year, Mr. Andrew Stover. Under his guidance art students have been introduced to many different kinds of arts and crafts. By conducting classes in sculpture, pariscraft, linoleum blockprinting, and drawings from still life, Mr. Stover has strived to enrich the cultural lives of his students.

Mr. Stover aides students in their art projects.

Physical Fitness Is Essential

Mrs. Kinney weighs Tom during the physical check-ups.

Under the supervision of our four physical education instructors, the gym classes are taught the skills of many individual sports, such as archery, bowling, and golf.

Miss Vloches, the student teacher under Mrs. Delbaugh, introduced the balanced beam, the unequal parallel bars, and free exercise to girls' gymnastic classes. Both sports and gymnastics contribute to the physical fitness of each member of the classes.

In charge of the school infirmary are our two nurses, Mrs. Goetz and Mrs. Kinney. They encourage better health standards among students by giving annual physical check-ups and aiding those who become ill during the course of the school day.

MR. CARLTON LUTZ
Driver Education

This year a new piece of equipment has been added to the Driver Ed department. A tape, called Decision, is used to tell about certain accidents, and before the tape is finished, the students must finish the outcome of the accidents. It is hoped that by using this teaching method students will learn to foresee and, hence, avoid accidents.

MRS. GERALDINE CLARK
Occupational Education

"Making Things for the Home" was this year's theme of the craft sessions for the Vocational Ed. department. Before the Christmas holidays Mrs. Clark

explained the project of making cotton twine balls that can be turned into attractive holiday decorations.

MR. ADAM BYERS
Librarian

With the help of the two librarians and the books available, students can collect the information necessary for term papers, book reports, research papers, or any assignment requiring research. The library, as a source for students' reading enjoyment, has a wide variety of books available through the Franklin County Bookmobile that visits our school every six weeks.

Mrs. Gilltain shows Miss Rowland books from the county Bookmobile.

Mr. Byers checks through a book that has been returned on time—we hope.

Those Hardworking Individuals Who

Hail to our secretaries Miss Ruby Scott and Mrs. Jeanette Nelson, who extend a helping hand with a smile! The jobs which they perform behind their desks are many but well done. Their tasks include: recording grades, making transcripts, taking care of attendance, and putting up with students who give scores of incredible excuses for being late for classes.

Ruby demonstrates just one of her many duties performed during the day.

Mrs. Nelson reads off the number of absentees as Ruby records them.

Make Our School A Nice Place To Visit

Mr. Ulrich takes special care in planning our cafeteria meals.

Thanks to our new dietitian, Mr. Ulrich, and his wife, the recent head cook, the cafeteria lunches we now receive are of a greater variety, many of them being Pennsylvania Dutch dishes. The cooperative kitchen staff has learned to prepare these new dishes with care.

Mr. Dick Murry and the custodians working under him do a tremendous job each year in taking special care of the facilities at our school. Without their cooperation, special events, such as basketball games, plays, and concerts held during the year, would not be possible.

The custodians remind us that "every litter bit hurts."

NELSON CARMACK

Alas, we are seniors! Finally we have reached the goal we have strived so long to attain. Now we can say we are truly seniors. We will be entering a new life, college, business, marriage, but we will never forget the wonderful experiences at G.A.H.S.

As sophomores we encountered many new experiences. For the first time we selected class officers, chose class colors of wine and white, selected the White Rose as our class flower, and selected our motto — "We enter to learn, we go forth to serve." As our first class project, we sold Easter candy which added money to our treasury.

Becoming juniors meant we were no longer called underclassmen. Our class project this year was that of selling Christmas candles. When our class jackets and rings arrived we proudly modeled them. The highlight of the year was the Junior-Senior Prom, "Stardust and Roses."

A long list of experiences enhanced our senior year. We sold hoagies to increase the funds for our class trip. In October we enjoyed a belated trip to Washington, D.C. When class pictures arrived, we exchanged them with all our friends. As the year drew to an end we spent three memorable days in New York City. The final point of this wonderful year was Baccalaureate and graduation. With this, a year of beautiful events has come to an end, letting many wonderful memories linger in all our minds.

We, the class of 1970, have come a long way from the silly seventh graders we once were. We have strived for goals that seem beyond us and yet not that far. Many of us have succeeded, some have failed, but all keep trying.

We were introduced to many new subjects—bookkeeping, shorthand, geometry, chemistry, French, and Mechanical Drawing. At first, these subjects seemed difficult, but with determination and hard work we have mastered them.

Besides taking on new subjects, many of us also took an active part in extra-curricular activities: student council, yearbook, newspaper, cheerleading, choir, band, sports, and many others.

We achieved financial success through our sophomore class project of selling Easter candy and through our junior class project. This unique project of selling sixteen different items was the most successful one in the school history.

Some highlights of the school year were receiving our class jackets in our class colors of navy and gold, our rings, preparing for the prom with long days and nights of worry to please the seniors and, of course, the big climax of the year, the trip to Washington.

Ruth asks Mrs. Myers about the final layout of some yearbook pages.

Is this our busy yearbook staff, or just a gossip session?

Moments Of Your Happiness

Karen and Frances listen attentively as Ruth goes over the schedule for pictures to be taken that day.

Dawn looks on approvingly as Mary arranges Linda's hair in preparation for her senior picture.

Mary and Frances supervise teams and cheerleaders as the teams pose for their pictures in the gym.

Happiness for the junior and senior editorial staffs of the 1969 "Conococheague", under the guidance of Ruth Dujmic, editor, was compiling this book for you, to commemorate your moments of happiness throughout the school year. A new advisor, Mrs. Myers, supervised the construction of the "Conococheague" this year. Many hectic days were spent in taking pictures, planning dividers, "laying-out" pages, and constructing "write-ups". As you see, the year-book editorial staffs have been quite busy throughout the year in preparing this book for you. Enjoy it!

Memorable Happenings Of 1968-1969

The VOICE staffs, composed of freshmen, sophomores, juniors, and seniors, kept track of important events during the school year, publishing the reports in the VOICE, under the supervision of Amelia Stamper and Mr. Weller. An effort was made to use more pictures and improve the articles in the newspaper this year. The staff members did their best to keep the rest of the student body up to date on sports, social events, student council activities, and the activities of other school organizations. Entertainment was provided with cartoons, jokes, and humorous stories and poems. The sales, advertising, and typing staffs, under the guidance of Gloria Etter, also contributed much to the VOICE publications.

Amelia, editor, and Gloria, business editor, look over the final layout of an issue of the VOICE before it goes to the printers.

Council

STUDENT COUNCIL OFFICERS: Bill Berger, president; Bill Christy, treasurer; Jeff Shaffer, vice president; Sherry Smith, secretary; Susan Hartman, reporter.

This year the Student Council was composed of seventy members and their advisor, Mr. Smelser.

The council has sponsored monthly dances this year. The most important dance was the annual King and Queen of Hearts Dance. Representing each class were Susan Hartman and Galen Hess, seniors; Debbie Strait and Lin Grosh, juniors; Debbie Snyder and Doug Webster, sophomores. King and Queen of Hearts were Susan Hartman and Galen Hess. The money used for voting was contributed to the Heart Fund. For a service project the council contributes \$10 a month toward the support of a South Vietnamese orphan. An Exchange Day was sponsored by the council with area schools. Also the annual spring Talent Show was presented to the student body.

Music Adds Zest And Vitality

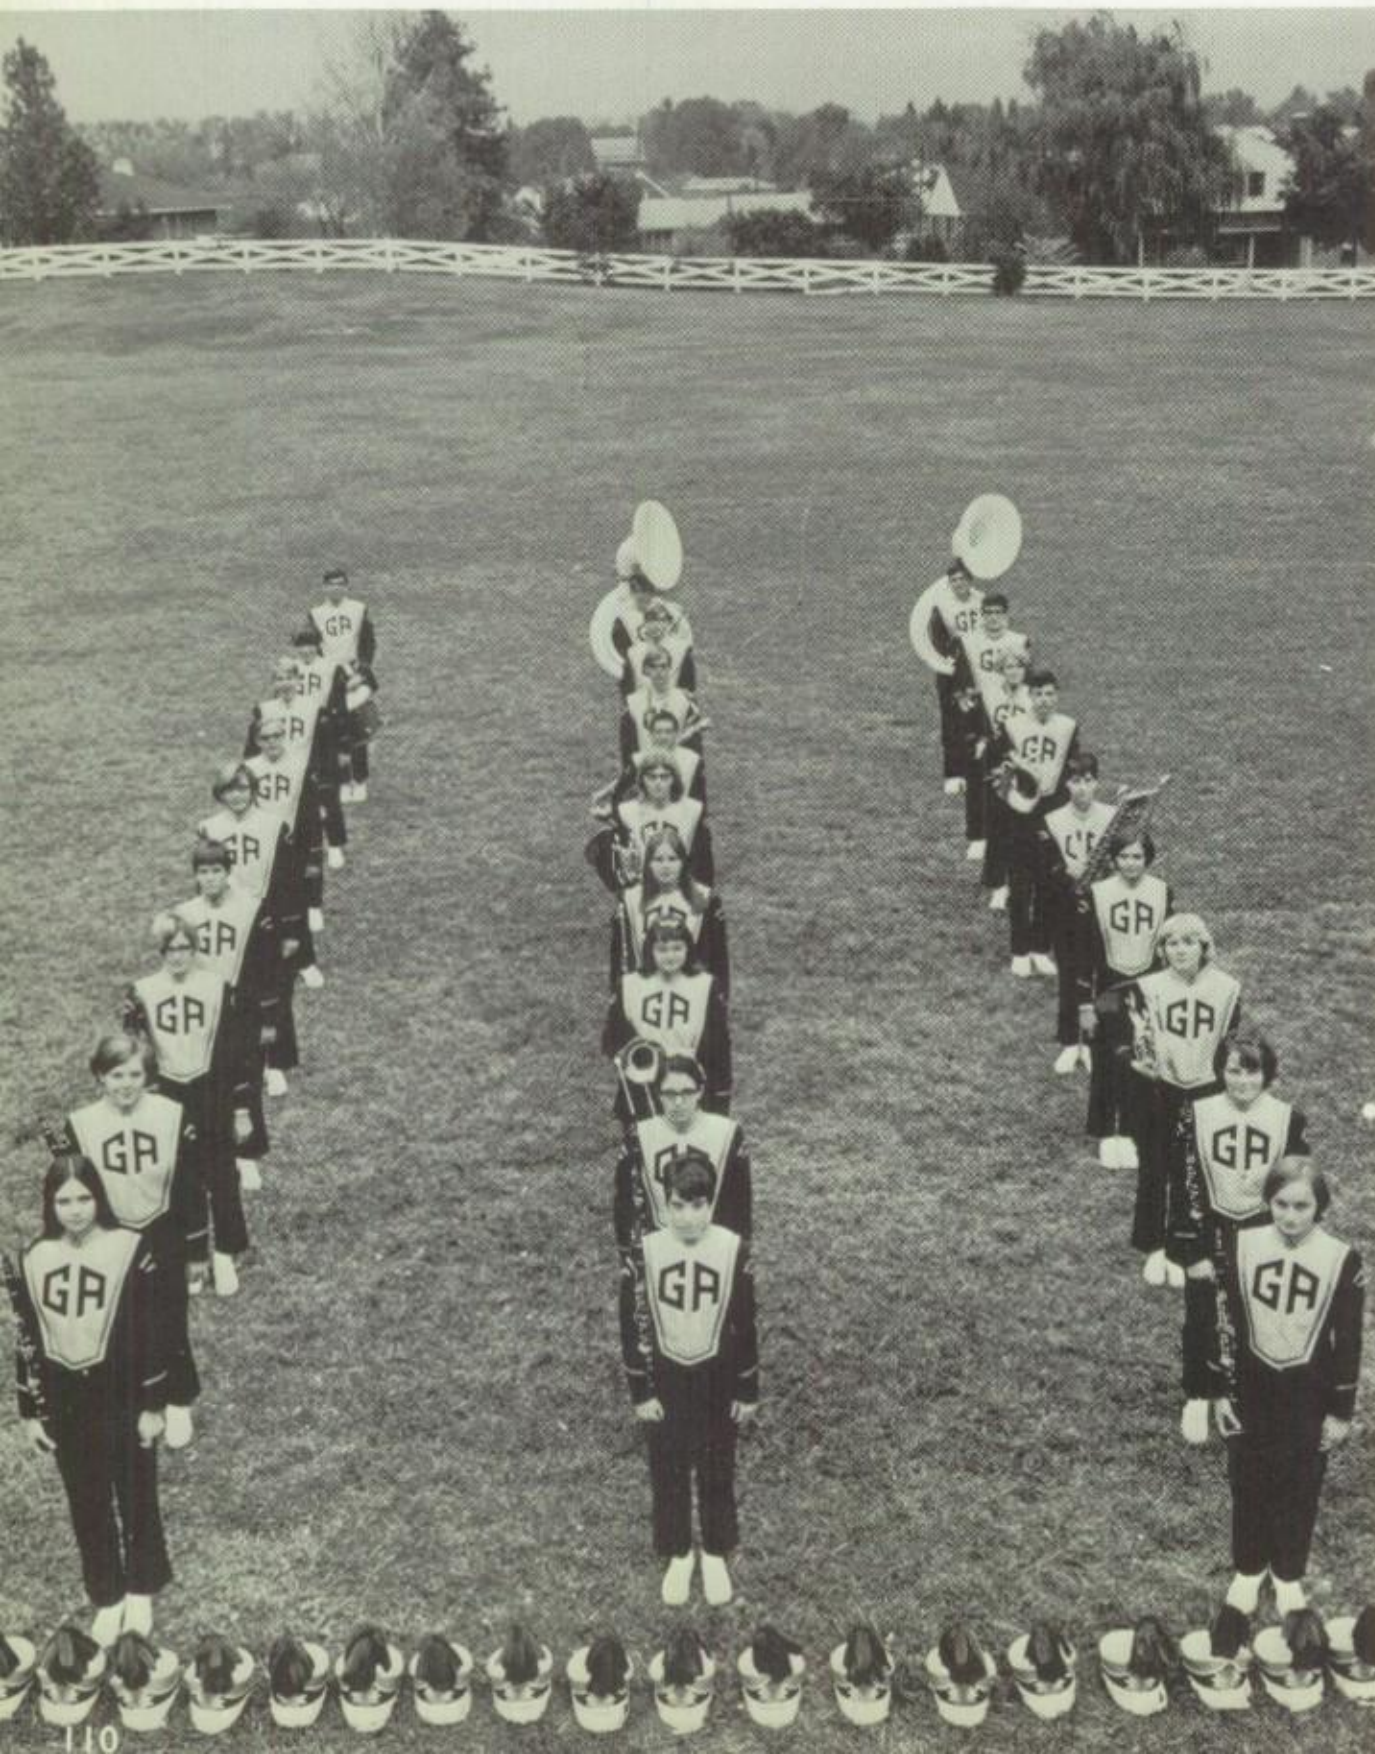

Under the direction of Mr. McCandless, our seventy-five member band has been very active.

During the fall, our band participated in five area Halloween Parades. Also the band performed thrilling halftime shows at home football games this year.

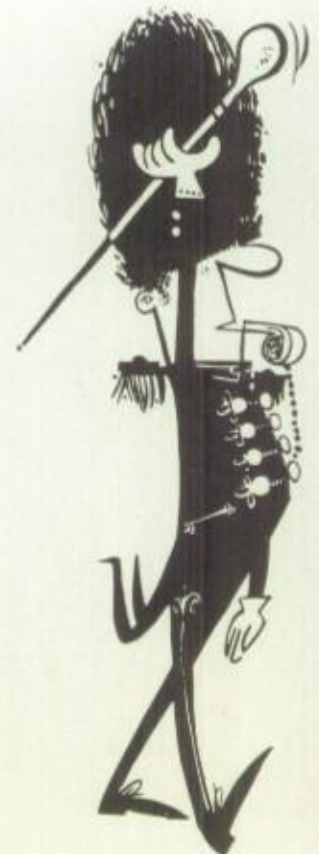

On November 23 the Blue Devil Band traveled to Harrisburg for the Businessmen's Association Parade. It turned out to be a very rewarding day when the band front placed an excellent rating and the band placed a superior rating.

The band sold Community Birthday Calendars in December. The profit from the calendars will go toward sending the band members to band camp this summer.

Climaxing the year's activities of the Senior High Band was the Cherry Blossom Parade in Washington, D.C., and the County Band Festival held at Greencastle-Antrim High School this year. All the band members participated in the festival and gave the visiting bands a hearty welcome to G.A.H.S.

Concert Choir Well - repre-

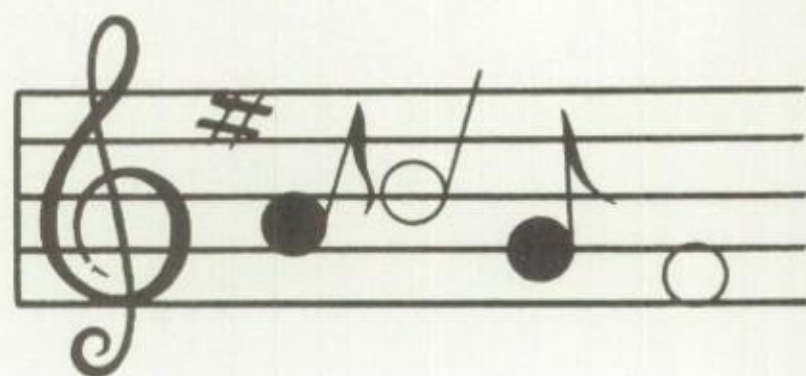

The Concert Choir forms a Treble Clef.

The seventy-five voice Concert Choir, under the direction of Mr. Besecker, rehearsed many long hours for the concerts they presented during the year. A stained glass window, provided by the art department, was used as a background scene for the Christmas Concert. The Concert Choir also had their annual Spring Concert and a new addition of a Pop Concert.

Seven members of the Concert Choir participated in the District Chorus held at Hanover, Pennsylvania. These members were Laura Dice, Eunice Myers, Dennis Fisher, Jay Holland, Ragen Potts, Robert Wertime, and Cheryl Spitz, who was selected to sing a feature solo.

Officers of the Choir were President—Jay Holland; Vice President—Cheryl Spitz; Secretary—Barry Elliot, and Treasurer—Robin Shoop.

Bill Myers looks on as Amelia Stamper is inducted into the National Honor Society by a present member.

Becoming a member of the National Honor Society is one of the highest honors a high school student can receive.

Faculty members select the members on the basis of the following qualifications: leadership, character, scholarship, and service.

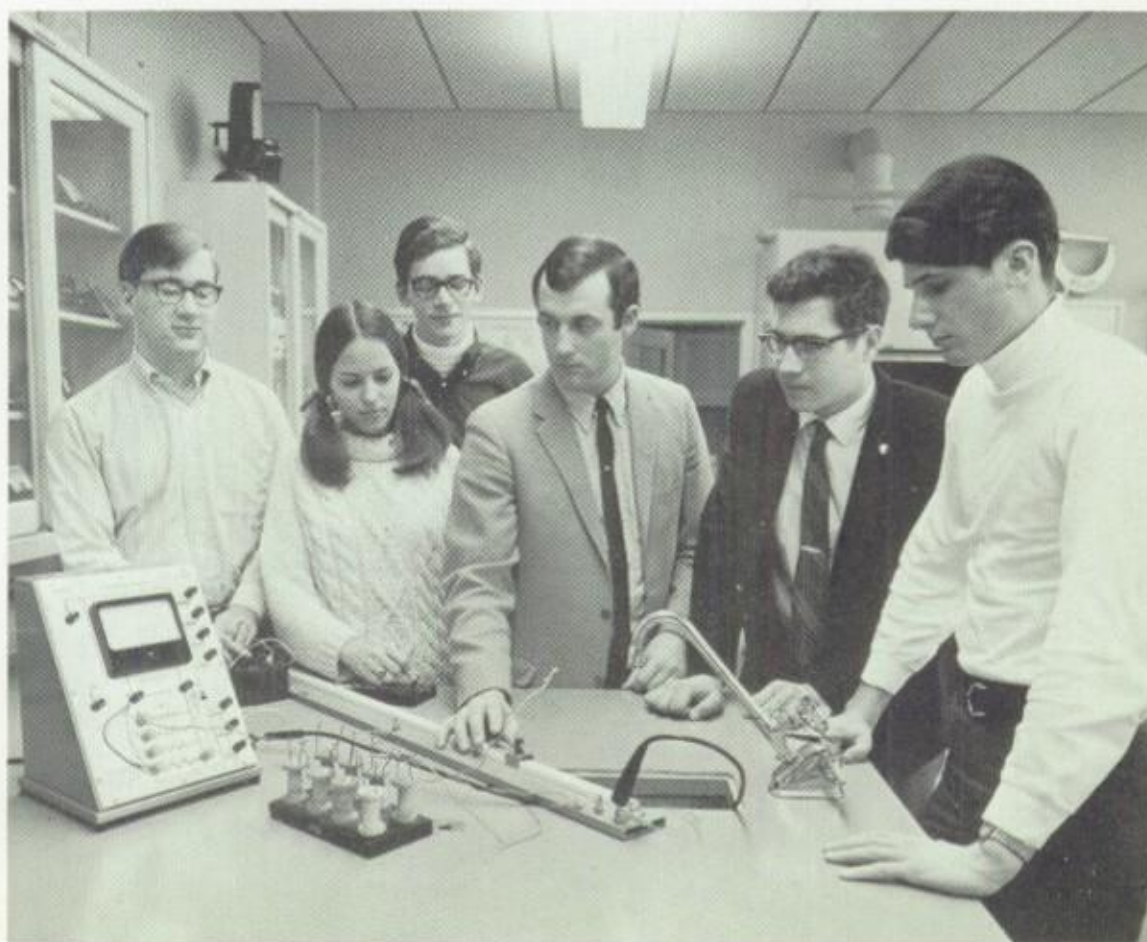

Two-thirds of the society are from the senior class and one-third from the junior class.

Under the supervision of Mr. Monn, the science club has been very busy this year. They have had speakers from such places as Mack, The United Telephone Co., and The Potomac Edison Co. These speakers have talked about job possibilities in the different fields of science. The members have seen several movies and have also taken trips to places such as Mack and the Chambersburg Hospital laboratory.

Mr. Monn helps determine how much electrical resistance is in a wire.

F.H.A. Members Receive Highest Degree

This year our Future Homemakers have come up with something new. What? They sponsored the school project of making sewing kits for each teacher's desk. Another project was buying presents and clothing for a needy family for Christmas. They helped finance these projects by selling Christmas wrapping paper.

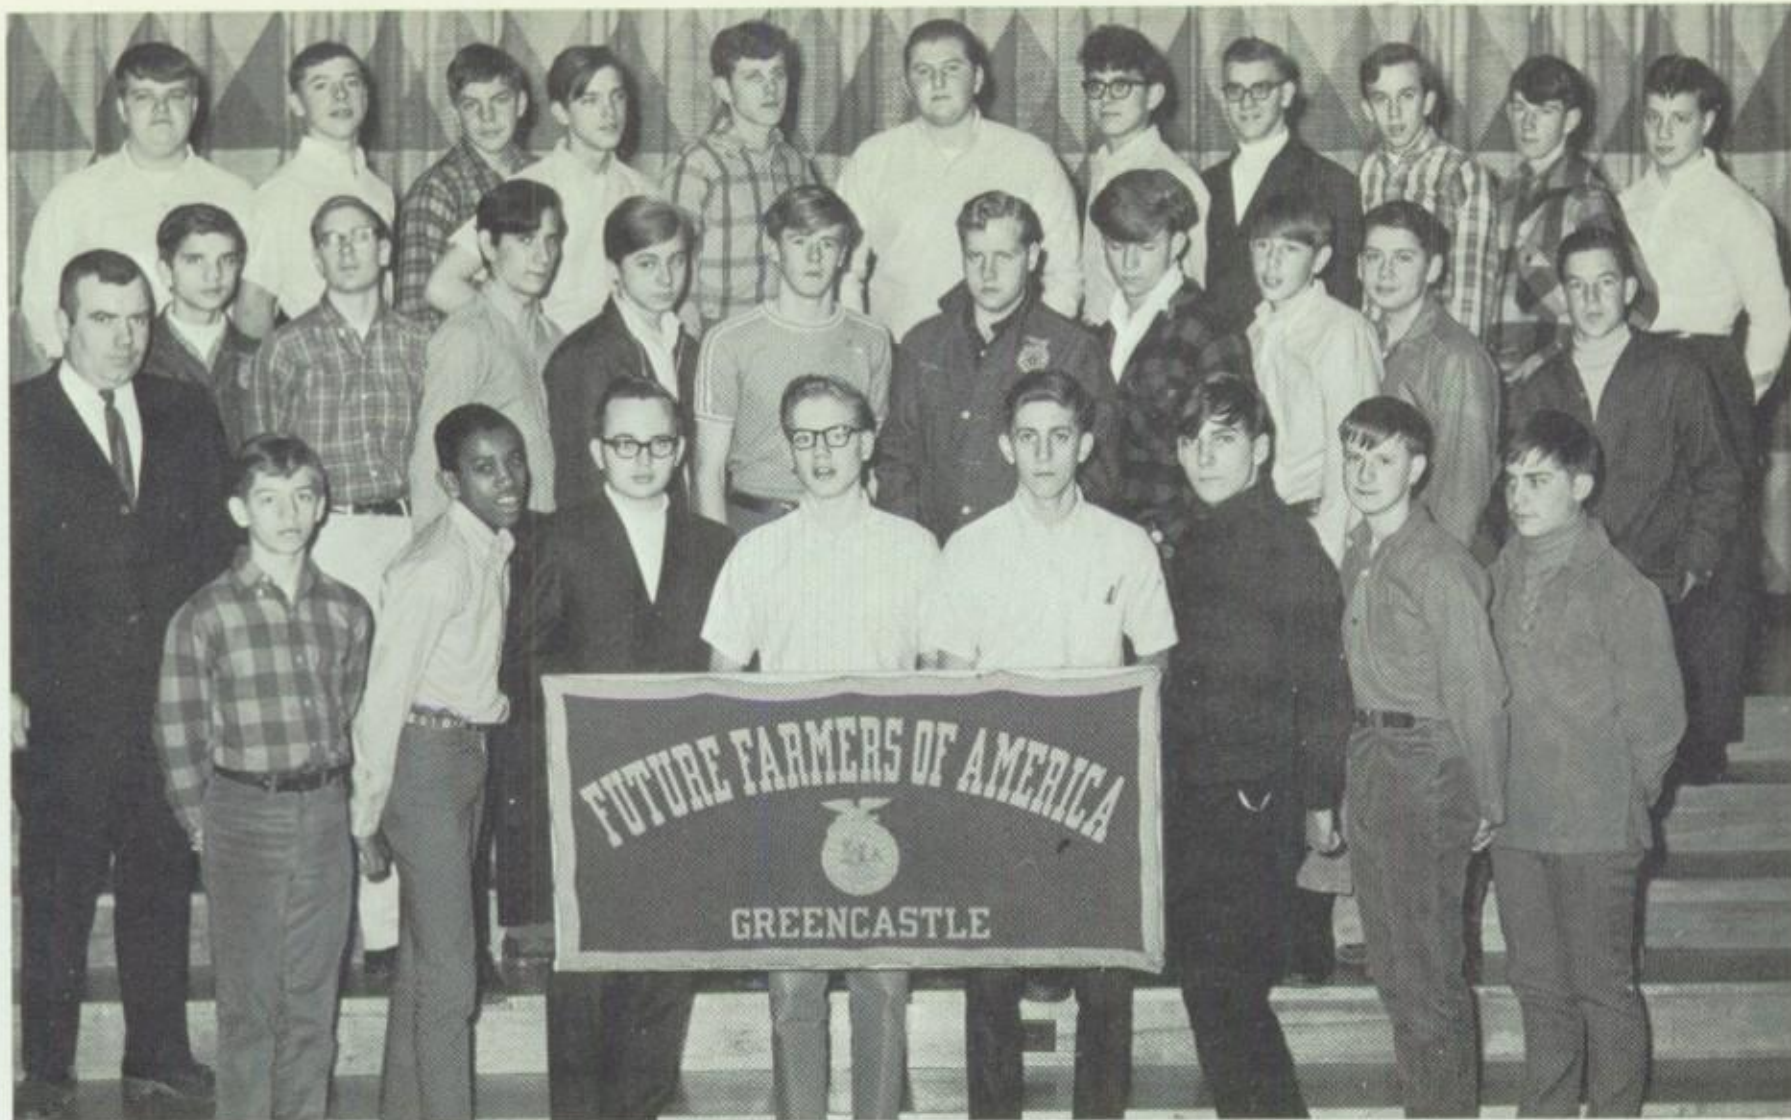

On January 15, the F.H.A. went to the Farm Show where five members received the state homemaker's degree which is the highest award given to the members of the F.H.A.

F.H.A. OFFICERS: Sandra King, secretary; Evelyn Fry, vice-president; Judy Johnson, president; JoAnn Horst, treasurer; Sharon Johnson, reporter and historian; Shirley Eberly, chaplain.

Bankday And Library Service Fellow Students

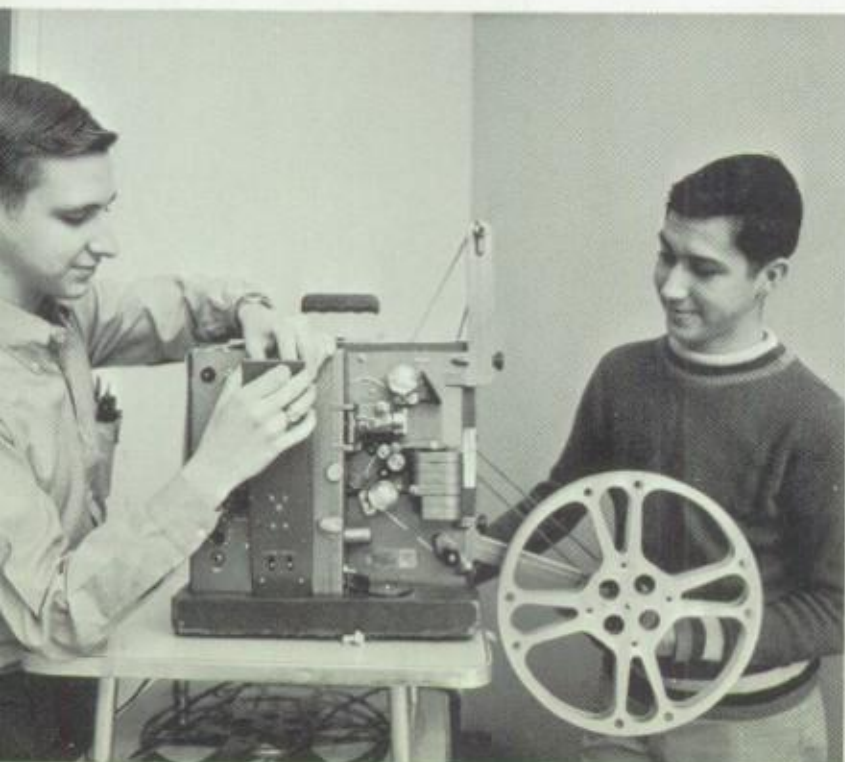

Due to the enthusiastic reception of our Hobby Club tray favor venture for Vietnam last year, our Hobby Club did a repeat this year. Through the Franklin County Chapter of the American Red Cross, our Hobby Club supplied 500 St. Patrick's Day tray favors for air shipment to Vietnam.

Bank day cashiers collect school savings every Tuesday morning. Our school has offered this service for the past five years. This service is sponsored by The Citizens National Bank of Greencastle. Through this experience students learn the need for saving and thrift.

This year there are seven members in the Library Club. These members have volunteered their services to assist students in finding various materials needed for research work. This experience will aid them in future library work.

The girls are very proud this year of their superb record. The girls and the coach, Mrs. Delbaugh, feel that the Hockey Camp held last summer helped them to have a winning season.

The leader in goal scoring this year was Dotti Zimmerman with 10 goals. Other members scoring were Melissa Young, Becky Stoner, Susie Hartman, Jean Colbert, Nancy Swanger, Maggie Flythe, and Janice Angle.

Seniors mount up to beat opponents.

Dotti rushes in, to aid Melissa, as the front line moves forward.

Devils Win First Half

This year's Soccer team won the first half county Championship in the deciding game played with Central Fulton. They lost the second half championship to Waynesboro and in the play off game for the South Penn Soccer League Championship they lost to Waynesboro with a 1-3 score.

A total of fourteen games were played. Ten were won, 3 lost and 1 tied.

The player with the highest scores this year was Galen Hess with 29 goals.

Gary rushes forward to kick the ball to Galen, who made the most scores this season.

Lynn Grosh strives to keep the ball from his opponent.

In first quarter of game against East Juniata, Joe Frazier is tackled by opponent.

Even though our second year on the gridiron was not a success, the boys did their best to accomplish victory.

The closest victory was with South Carroll High School. The game was well-played, and the spirit of the team kept soaring.

Next year we are looking forward to a much better record, and with the valuable playing time and experience gained this year we will see an improved record next year.

Another win for Steve.

The Greencastle-Antrim Cross Country Team completed a rebuilding year with a record of 6 wins and 6 losses. The squad actually defeated 9 teams and lost to 6 teams as they finished second in two triangular meets and won another triangular meet.

The top runner for the Blue Devils was Steve Snyder, a senior, who was undefeated in dual and triangular meets. Steve finished 3rd in the District Three PIAA Championship at Reading and represented Greencastle-Antrim at the State PIAA Championship at Penn State where he finished 11th in Class B competition.

At the CVAC Cross Country run, Steve Snyder finished 2nd and Bill Walls, a junior, finished 11th as Greencastle's team finished 4th in a field of 6 teams and 48 runners.

Coach Rishel expects to have a very successful season next year when all but one of his ten top runners will return.

The 1968-69 Blue Devil Basketball season was filled with some surprises and many disappointments. Although the Devils sported a fair 9-12 cage record, the score books do not tell the true story of the varsity cagers. Led by "Player of the Year" Galen Hess, the Devils had a hustling team but just could not muster enough strength to pull the would-be close ones out of the fire.

Enemy courts and four quarters often proved fatal to the Blue Devils' attack, but home territory enabled the squad to post a 7-5 log. The team high for the year was 99 points against Fairfield.

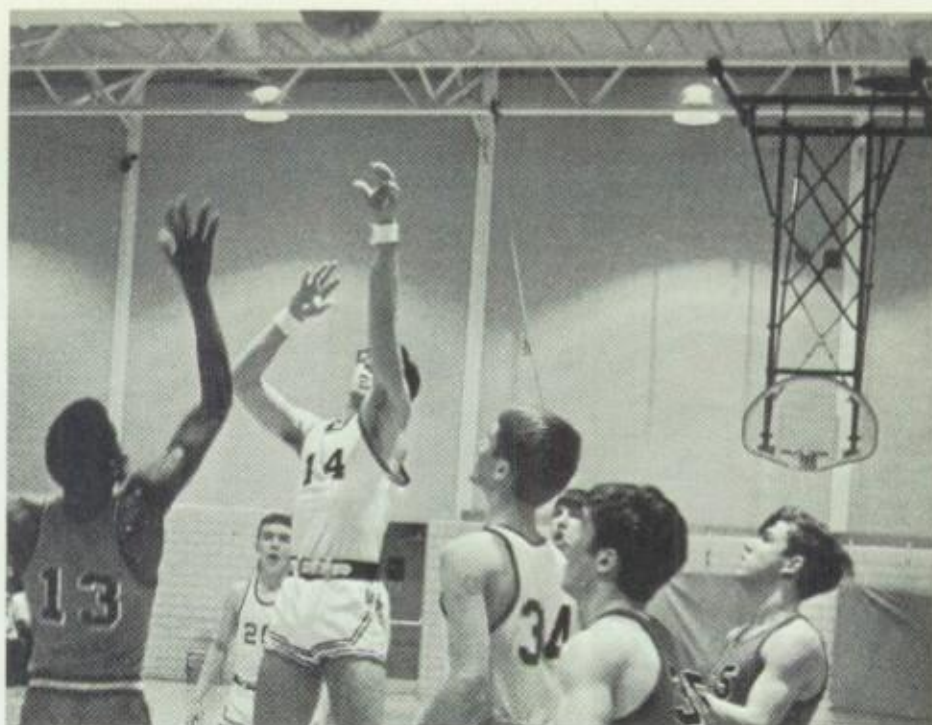

After this first year at the helm, Coach Ray Etters can be optimistic about next year's team. Missing will be such stalwarts as Galen Hess, Donnie Hoover, Bill Myers, Gary Trumpower, Don Wingert and Lon Barkdoll, but with the return of Bill Christy, Len Grosh and Tim Stoner, the G-A Blue Devils should do well in the Adams-Franklin Conference.

Under the instruction of Coach Carmack, the Little Devils demonstrated team work and showed rapid developing skills.

Although the Little Devils played some tough teams, they still kept the team spirit and sportsmanship. The highlight of the season was the 73-22 victory over Corpus Christi.

We are anticipating a better percentage of winning scores next year.

Sportsmanship Make A Team

The Junior Devils compiled an identical 9-12 record under the tutelage of coach John McFalls. The team played a sometimes "tough" man-to-man defense throughout the season which should stand them in good stead for the balance of their high school careers.

Led in scoring by Vic Barkdoll, Doug Webster, Cy Anderson, and Tim Stoner, the team showed great balance, which is a prime requisite for good basketball in the future. The added strength of Daryl Meyers, Russ Hess, and Mike Slabik on the boards give promise of great things for the Blue Devils of Greencastle-Antrim High School.

With these players and equal enthusiasm from the student body, the Blue Devils are bound for success.

The Devilets, having faced a grueling schedule of 14 games in two months under the leadership of Miss Avis Gunnells, compiled a record of eight wins and four losses with four games remaining. Capturing high scoring honors for the team was Dotti Zimmerman, who averaged 17 points per game. Aiding in the scoring effort were Melissa Young, Trudy Cisney, Jean Colbert, Diane Pile, and LaVonne Angle. Jean Colbert, assisted by LuAnn Martin, led the Devilets in rebounds.

This year's team was well-spirited and aggressive. They worked well as a team and broke down opponents' defense with quick, sharp movements. It was due to the team effort of all members that they were able to have a successful season.

Having a relatively young team, they were fortunate to have sophomores and juniors among the starters. This leaves high hope for next year's team.

And it is another home run for the Greencastle Devils.

The Devils' baseball team had a fair season this year due to extensive injuries and inconsistent use of team members. The Devils had a record of 8 wins and 10 losses for the 1968 baseball season. Coach Lutz feels that the best game played during the season was with Smithburg because Larry Crouse pitched a 3 hitter.

The leading batter for the season was Barry Keller with a batting average of .528. Jeff Shaffer was in second place with an average of .333. The top pitcher of the season was Bill Hudson with 3 wins and 2 losses.

To a guy
who always has been
a friend of mine. Never
fergit the old bus stop
and all those wild day with
Metz.
